Welcome & Apologies

Apologies were received from Ian and Don
A warm welcome to John Flynn and Ben Nightingale

Brewer's Banter

- Welcome Visitor: Ben Nightingale, friend of Lindsay and descendant of the Uren/Nightingale family who built Woodforde House and donated what is now Nightingale Park to the Council.
- Our huge Christmas Market was a great success despite warm weather on Sunday. Congratulations to all involved. Ian reports the raffle takings were around \$600, which is fairly reasonable. We were very grateful for the assistance of the students from Norwood Morialta HS Rowing Club who did a wonderful job both days assisting us with the market and they will be well rewarded for their efforts.
- As we didn't raise as much money as we hoped, it is proposed that the January market will raise funds once again for Operation Flinders.
- We are hoping to gain access to the Polio Plus Relay ute for our February or March markets and will dedicate returns from that market to the Polio Plus Campaign along with the lottery ticket sales.

Guest Speaker: Councillor John Flynn – Woodforde Ward Operation Flinders and Nightingale Reserve

John was elected to Council in 2018 representing the Woodforde Ward, which contains all of Rostrevor and the section of Magill east of St Bernards Rd. Obviously that's where Nightingale Park is, and we have been very pleased that John has shown a great interest in the park and willingness to work with us to improve it.

Unbeknownst to us, John is also involved with Operation Flinders and started off by telling us about a recent visit he did when the camp was on, accompanied by several photos, which was great. John has also been a Rotarian, Lion and was in Apex at one stage, so is very like-minded with our support of such causes and local issues.

Since meeting with some members of the club at Nightingale Park about a year ago, John has taken concerns about the condition of the park back to Council for assessment and action. Initially this resulted in fixing the degraded creek bed and lawns, which have now been corrected.

In September this year Council received a report on the condition of the park with several items scheduled and funded for the 2022/23 budget year. Council endorsed the report and these actions will be going ahead. A copy of that report will be emailed with this report.

The main highlights were the poor condition of paths, tennis court, coaches shelter, signage, interpretive trail and playground, which will all receive attention. Council would, of course, be interested in any contributions to these works and that will be something the club will need to consider soon. The club could also have a role in working with Magill Scouts, Magill Guides and Magill Primary to broker their involvement in some way.

Overall it's fair to say that John's presentation and the work he has done to move this project forward were equally impressive and we were very glad to have him at our meeting to let us know. We look forward to finding practical ways for the club to continue its long involvement with the park through this refurbishment.

This week saw the British Court open the door for Julian Assange to be extradited to the USA. How do you feel about this? Should he be extradited? Should he be freed? Should the Australian government step in and protect an Australian citizen?

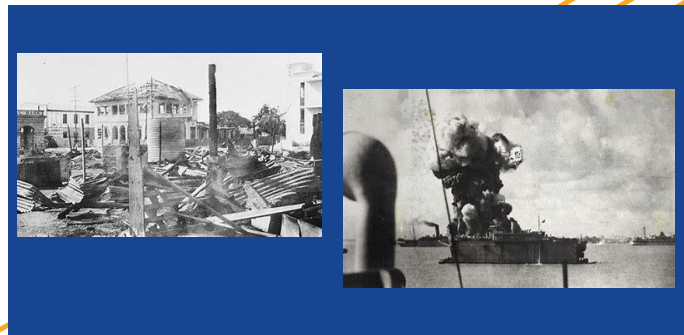

This caused a bit of a debate among the members. In general I think most thought he should not be extradited. It was agreed Assange had made some powerful enemies and some powerful friends, but either way the USA were out to get him.

Interestingly both Barnaby Joyce and Anthony Albanese have weighed into the debate this week.

Quiz Question

Last week saw the 80th anniversary of the bombing of Pearl Harbor. Just a bit closer to home how many times did the Japanese launch bombing raids on Darwin?

Answer: Between February 1942 and November 1943 there were **64** raids on Darwin, although none were as heavy as the first, when 242 Japanese aircraft attacked Darwin on the 19th February 1942.

Darwin 19 February 1942

CHRISTMAS 2 DAY MEGA MARKET

This year's mega 2 day market has come and gone and for once we were blessed with great weather. Many thanks to you all who worked so hard to make the market a huge success. Here are some captured memories of the two days.
