

## Welcome & Apologies

Apology from Don

### **Brewer's Banter**

- Thanks to everyone who made it to our place last Sunday and for your contributions. We loved having everyone there and really enjoyed the day. Nina's hip is still sore, but improving – thanks for all of the great tips!
- The Board has decided that based upon offering service above and beyond the call of duty, we will up our contribution to NMHS from the proposed \$1,000 to \$1,250 as a bonus for a job well done.
- January market will raise funds once again for Operation Flinders. Still having some issues with the web site, but hope to crack that one this week and will update the details
- Polio Plus Relay ute is not available for our markets early in the new year, but we may be able to get Jeff Neale's CX5, which is decked out similarly. We will dedicate returns from that market to the Polio Plus campaign along with the lottery ticket sales

## Nightingale Park Workshop

Following on from Cr John Flynn's presentation last week, just want to spend a short time throwing around some of the ideas we could support.

Some of the financial improvements on the table were:

Item	Type of Work	Cost
Tennis Court	Resurfacing	\$55,555
Coach's Box	New shelter	\$12,000
Coach's Box	Picnic benches	\$4,500
Interpretative Signs	Replace sign decal and paint	\$7,000
Park Furniture	Repainting and cleaning	\$2,500
Footpath	Replace and relay	\$2,600
Toilet Block	General repairs	\$750

Some other ideas to kick start discussion:

- Collaboration with Scouts, Guides, Landcare and/or Magill PS
- Maybe futures – build a garage behind Scout Hall and move market there using Scout Hall indoor space for indoor stalls and Tennis Court/car park area for outdoor stalls. The new "village feel" of Magill may create the right atmosphere for that to happen.

Points raised during discussion:

- Market may not be viable at this location as it would probably have less profile. It was noted that the club used to have a shed behind the Scout Hall
- It was suggested that a large Christmas Tree could be erected every year in the park; maybe on the Woodforde/St Bernards corner, possibly including an event of some sort as a kick off (eg. BBQ). Storage of the tree was raised as an issue to deal with
- Regarding the list of proposed Council refurbishments, the interpretive signs seemed like a popular choice with everyone
- Seemed to be generally agreed that more seating/tables in the park would be good
- It was mentioned that the club has reserves that could be drawn upon and seek a matching Rotary grant to achieve more at the park
- Was also noted that an NRM grant of \$4,000 was received back in the day for "weed control" along the creek line and this went towards purchase of equipment to enable that. This was back when the club was larger and more physically able, so it was generally agreed that similar activities would not practical now. However, club could have a role in coordinating this type of activity in conjunction with Scouts/Guides/Landcare/Magill PS
- It was noted that there was supposed to be a brick trail with named bricks on it that was never completed
- Finally noted that as Council will be moving ahead with these changes we will need to make decisions quite quickly on how we want to support them

A great discussion and many great ideas discussed, so thanks team!

It's been another challenging, but great year and congratulations to you all for your role in keeping the club strong and punching well above its weight. 2022 promises to be even better and I very much look forward to continuing my Rotary journey with all of you. Wishing all of you, your families and your friends the best for a Wonderful & Happy Christmas and all the Joys of a Happy New Year for 2022.

*Simon B*

## Thank you and Merry Christmas to our Cooks

On behalf of the club thank you Leonie and David for feeding us every Tuesday morning. Without your efforts we would not be a "Breakfast" club. It has been a challenging year for you with the move from the Campbelltown Oval back to Heccies, but you have taken it in your stride.

We wish you a great Christmas and once again thank you for manning the kitchen and working around the problems which occur.

## Operation Flinders Foundation – *One step at a time*

Proceeds from the December And January markets will be going to support Operation Flinders.

## Ice Breaker

What do you like most about Christmas?

Greg was first in with this – FOOD!  
Mark likes the religious tradition,  
Bernard likes the midnight mass and Christmas carols, and in general, we all like family get-togethers, kids, and Father Christmas.

They laughed when I said I wanted to be a comedian.

*They're not laughing now!!*

and

What do you call a parrot in a raincoat?

*Polly Unsaturated!!*

## Quiz Question

**TWO**  
**CHRISTMAS QUESTIONS**

Mistletoe literally translates from Anglo-Saxon to what on a stick?

**Answer 1: Dung**

Astronauts broadcast which Christmas song from space in 1965?

**Answer 2: Jingle Bells**

**JACKPOT**  
**\$15.00**

## RCMS Christmas Get Together – HO! HO! HO!

Our thanks go to Simon and Nina who hosted the RCMS Christmas Party at their home last Sunday. It was great to get together in a casual atmosphere and we all enjoyed the day. Robyn did a great job of organising us by making sure we brought the right ratio of salads and desserts.
