## PP CHRIS GASCOINE BIDS FAREWELL

Before our guest speaker took the floor today we had a sad announcement from one of our very long term members and Past President Chris Gascoine, who announced that he will be departing our club and moving to Burnside. This is very much a lifestyle adjustment for Chris and the fact he is continuing his Rotary journey is wonderful.

I know from personal experience how much Chris has contributed to this club and it will be very sad to see him depart. He and Susan have certainly done a great deal for the club – and added some amusing moments with the occasional locked horns too – and will be sorely missed. On behalf of everyone at Magill Sunrise I thank Chris for all he has done for us and wish him and Susan well for the future.

Vincent Tarzia with President Simon

It was great to finally catch up with our local MP, **Vincent Tarzia**, to hear about things going on in the local area. Although an election is looming, I have to say that Vincent remained very apolitical, carefully respecting our Rotary values.

As some know, Vincent & Charissa welcomed baby Leonardo about 4 months ago. Naturally, there have been many sleepless nights, but he certainly rose to the challenge to speak to us early in the morning. We were particularly grateful as this was a busy and sad day with Vincent planning to attend the memorial service for the tragic passing of CFS volunteer, Louise Hincks.

Obviously Vincent is proud of a number of projects he's supported in the local area. In particular, getting some of the traffic light solutions in place at various intersections has been a major advancement. He talked about the importance of partnerships with other tiers of government for a range of local improvements.

However, what I found most interesting was him talking about the challenges of his Police, Emergency Services and Corrections portfolios. Some salient points he raised were about the way Police track offenders nowadays via helicopter surveillance and the Government is greatly increasing the penalties for drug & high speed drivers with a view to extreme discouragement on the first offence.

It was also great to hear that SA has the lowest record of recidivism in Australia, which is the tendency for a person gaoled to reoffend. In SA that rate is around 39% while the national average is around 55%. To that end they are now planning to build a special Rehabilitation Prison to try to bring the figures down further. Sounds awesome and was good to know.

Overall a nice talk from Vincent and we wish him well for the forthcoming election.

Simon B

## *Congratulations Rick and Peter*

It was wedding bells for the two newest members to our club. Peter Macaulay and Rick Caldwell tied the knot on the 29<sup>th</sup> January at the Treasury 1860, which is part of the Adina Hotel complex.

Prior to the ceremony conducted by Rev Linda Driver (Minister at the Athelstone Uniting Church), Ivan "Tiwi" Copley did the Welcome to Country & Smoking Ceremony

## 4 the Way Test

... OF WHAT WE THINK, SAY OR DO

1. Is it the **TRUTH**?
2. Is it **FAIR** to All Concerned?
3. Will it Build **GOODWILL** and Better Friendships?
4. Will it Be **BENEFICIAL** to All Concerned?

### DID YOU KNOW?

**What is the greatest distance from Chicago that a Rotary pin has been displayed?**

Astronaut Buzz Aldrin, an honorary Rotarian of the Rotary Club of Spring Lake-Brielle (New Jersey) where his father was a member, planted a Four-Way Test pin on the moon when he landed Apollo 11.

## Quiz Question

What is the nationality and name of the RI President Elect?

**Answer: Jennifer Jones, Canadian**

Jennifer will make history on July 1<sup>st</sup> by becoming Rotary's first female president, some 33 years after the Council on Legislation voted to allow women to join the organisation.

## Ice Breaker

This year marks the 70<sup>th</sup> anniversary since Queen Elizabeth 11 took to the throne. Do you think now she is heading for 96 that it is time she hung up her crown, donned her fluffy slippers, took a well-earned rest and handed the reins over to Charles?

In a nutshell it basically came down to "Who cares", but most felt she should continue doing what she is doing until she fell off her perch, and then Charles would have his turn.

The conversation did turn towards should Australia become a republic, but I will leave that for another day.
