Next Meeting

7:00 am, 09 August 2022

Heccies, 31 Fisher Street, Magill
Club contact: Lindsay Davis - 0415 453 101

Guest Speaker: MARCO DI GIROLAMO

Marco began his laboratory career back in 1978, working in a small private laboratory. In 1988 he started work at the Queen Victoria Hospital, which then merged with the Adelaide Children's Hospital to form what would become the Adelaide Women's and Children's Hospital (WCH), where he worked until retirement in 2019.

His particular fields of interest are neonatal, paediatric and obstetric haematology. He has given talks at state, national and international medical laboratory science seminars. Marco has recently been awarded a certificate of Merit from the Australian Institute of Medical Scientists for his service to the profession.

In his spare time, Marco attends high school career evenings, promoting medical science as a career, and in January 2020 (just pre-COVID) he volunteered on a medic ship in PNG, diagnosing TB in sputum samples (slide and PCR techniques), and is heading back in November.

He also volunteers at South Pacific School Aid, an organization which collects de-commissioned books from schools in SA and organizes to send them (on large pallets) to disadvantaged schools on South Pacific Islands, PNG and Africa, where they use them to set up libraries and school curricula.

DAD JOKE

"What do a tick and the Eiffel Tower have in common?"

"They're both Paris sites."

President's Report

A small but very enthusiastic crowd gathered early this morning outside the **Hibernia Café** on Magill Road in anticipation of coffee, OJ, smashed avo, brekkie burgers and a chat. No-one left disappointed.

We had a good chance to talk about the Magill Village development, assisted by some 'front-line' experience and comments from James at Hibernia.

There is no doubting the massive impact the construction phase has had on traders. Needless to say, the traders will be pleased to know the project is moving towards completion. James was also able to see some of the positives that are expected beyond this final stage. Running a business can be tough at the best of times, so you can't help but admire the perseverance of traders (and how they appreciate the support of regular customers) during recent times.

Graham and I also met during the week with Campbelltown City Council's Infrastructure team to discuss plans for the **Nightingale Reserve** upgrade. Council are appreciative of our Club's offer to assist – and the plans to refresh the Reserve sound exciting. Stay tuned.

Thanks to all 20 attendees who bought their appetite along to the **Campbelltown Pizza Festival**. And thanks to Robyn for organising the outing. How good was that?

And for the record, the **Fireside Chat** (minus the fire) was great. Thanks to Simon & Mark for your input. And new members Pete, Rick & Suneth responded with some fantastic questions and feedback.

Action Items. Please complete all 3.

1. Have you let Robyn know if you can make it along to this Sunday's Lochend House tour (and Devonshire Tea)?
2. Are you coming to the upcoming meeting with Campbelltown Rotary Club and/or the Combined Service Clubs dinner?
3. Have you sent Simon and myself a comment on the Strategic Plan? Tell us if you are happy - or suggest some changes.

So it's back to Heccies next Tuesday with the Quiz Question, Ice Breaker and Card Game bonanza still intact. See you there.

Cheers,

Lindsay

HOW DO WE CELEBRATE?

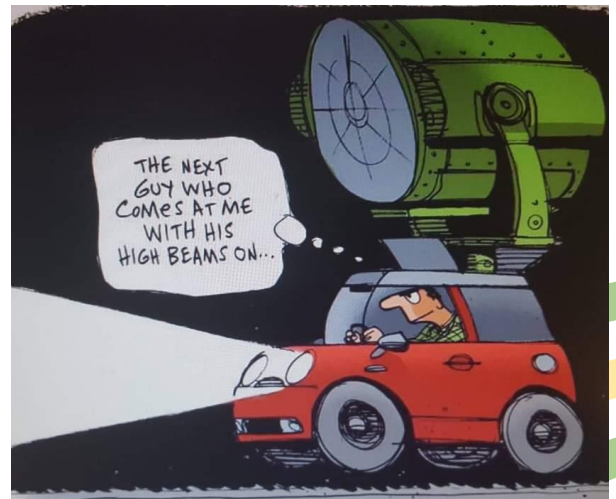

1200

Our 1,200th Meeting is scheduled to fall on Tuesday 15th November this year.

Suggestions are invited for how to make the occasion memorable.

- Can we donate 1200 dollars to someone?
- Can we collect 1200 somethings?
- Can we plant 1200 trees?
- Can we eat 1200 donuts?
- Can we walk 1200kms (the Heysen Trail)?

Put your thinking caps on.

VOLUNTEERS NEEDED AT CAPERUM

There are numerous maintenance tasks around Calperum needing urgent attention.

Accommodation has been booked for one or two visiting teams around the 9th – 12th August, but such dates are not locked in, and visiting dates are

flexible.

Please contact Don Will (0417 573 696) or Jeff Cluse (0417 573 696) to advise availability or to express interest in volunteering for this project.
