### President's Report

And so concludes another great **MARKET**. Thank you to all involved this month – and particularly to:

- Greg for ensuring the rain held off until after everyone had packed up;
- Simon for arranging the fabulous Kytons / Kickstart-for-Kids LAMINGTONS; and
- Robyn and the Bin Chickens for \$150.20 of bottles and cans.

The September market will provide much needed funds to support **KickStart for Kids**, allowing them to purchase products for their school breakfast and lunch programs, as well as sanitary items as part of their KickStart for Kids Against Period Poverty campaign. There's nothing like eating lamingtons for a good cause!!

We also have set aside 5 packs to go to **Rotary Club of Campbelltown's Community Café** – and thank the organisers for supporting this fundraising initiative.

There are still some vacancies on:

- the **St John's First Aid training course** on Sunday 25<sup>th</sup> September 2022. Check with family and friends for people interested in obtaining/refreshing these life-saving skills.
- **RYLA** for 18-25 yo – a character building one-week course on 24 Sept – 30 Sept. Please nominate them or speak to Peter.
- **RYPEN**-for 14-17 yo - to develop self-awareness and valuable leadership skills on 30 Sept – 2 Oct 2022

Cheers,  
*Lindsay*

## Guest Speakers: **PETER MACAULAY & RICK CALDWELL**

### **Pete and Rick's Little Britain.**

Post retirement and Covid, earlier this year Pete and Rick were finally able to achieve their long awaited tour of the British Isles and Germany.

With Rick operating the laptop and Pete narrating we were provided with a lightening tour of England, Scotland, Ireland and Wales (as well as the Isle of Wight) winding up in Germany.

The dynamic duo entertained us with 50 slides that ranged from pre-history, the age of empires and the modern. One thing we took away from their presentation was 'take plenty of money' because everything in the UK is soooooo expensive.

Running to their allotted time, if you blinked you missed some of the German highlights that they had to rush through.

Rick impressed on me that his favourite city is Berlin and this love affair began in 1989 and the fall of the wall.

## **THE JACKPOT FINALLY GOES**

We were beginning to think the "Jackpot" would never go off, but this morning the stars all aligned and our record jackpot of \$80.00 went to Lindsay.

It only took 12 meetings to get matching cards.

I guess the drinks are on Lindsay this week. Next week we are back to a measly \$5.00.

## PRESIDENT'S THOUGHT FOR THE DAY

*All I need is a six month vacation.  
Twice a year.*

### Voting on Zone 8 Regionalisation pilot

At our Club meeting on Tuesday 13<sup>th</sup> September 2022, club members voted on the following proposal by a show of hands.

*"This club approves participation in a pilot to develop, test and evaluate a new regional approach to supporting and governing Rotary and Rotaract clubs and members in Zone 8 from July 2023 to June 2026." Yes or No*

The club voted **YES** unanimously.

Comments/discussion referred to the need to do something to improve the impact and sustainability of Rotary; and other comments indicated it should have happened 20 years ago.

**As President, I will now register a vote on behalf of the club.**

### MEET "MARTY" – The market mascot

Marty is our new market mascot, kindly given to us by "lovingbearsbyvita", a regular stallholder. Come along to our next market 9OCT and meet him.

### AFTER MARKET FELLOWSHIP

On a monthly basis our members are up at the crack of dawn to get the tables set up, crank up the BBQ, meet the stallholders and assemble the donut machine before greeting the public. At the end of the day once all the stallholders have departed the area and the market is neatly packed away ready for the next month, it is time to crash and just relax with a drink and tasty nibbles. Thanks Peter and Rick for this month's spread.
