Simon Kelly - "Reminiscences of an Unretired Teacher"

Simon Kelly returns to recount 'Memories of a Teacher' (and many previously untold stories from Rostrevor College).

President's Report

It was good to see everyone again. Fortunately, not a single person looked like they had aged a year since 2022.

Whilst most people were glad to see the end of 2022, all hopes that 2023 would return to normal were quickly dashed. David & Leonie are recovering from Covid, so we re-located to *The Perfect Blend Café* in Payneham where we enjoyed a great breakfast (and the new outdoor dining experience). Thanks John & Made for looking after us.

In lieu of a Guest Speaker we asked members to recount what they got up to over the Christmas/New Year period.

Here's some awards:

Largest distance travelled – Colin & Pauline (to the Gold Coast).

Shortest distance travelled – Graham (watering plants in the backyard).

Biggest party – the Thompson clan (with over a dozen at the Xmas table).

Noisiest party – contenders were the Dolman's (with Greek influences) and the Thompsons (with Italian influences) – but this category was won by the Brewer's with their attendance at the St Ignatius Carols.

Wildest party – Bruce at the New Year's Eve big bash cricket match (surpassed by the walk through the city afterwards).

Most food consumed – the Davis's Labrador dog.

Most Eventful party – the Hill's (The Australian Outback Spectacular)

Darkest party – the Flynn's exploring caves in and around Mt Gambier.

Wettest party – the Brewers, Thompsons and the Coats touring the Murray floods.

Quietest party – the families who spent Christmas in covid isolation.

Celebrations aside, we wish all the Covid sufferers a speedy and full recovery.

Cheers,
Lindsay

CHRISTMAS WISHES FROM RICK AND PETER

Merry Christmas everyone.

Rick & I have settled into our new home and we are coming to grips again with the crowds in shops and the traffic on the roads again. We are, however, fortunate where we live that the roads are excellent (much better than Adelaide's) and the drivers are more polite than the average Adelaidian.

We are having our annual seafood pig out, just us two. Tomorrow we are hosting the family for lunch so we're really looking forward to that.

Wishing you all a very happy and safe Christmas & New Year and we hope that you and your loved ones enjoy the festive season together.

See you all around Easter (or maybe when you come to Melbourne for the Conference).

Lots of best wishes & love.

Peter & Rick

DISTRICT GOVERNOR NOMINATIONS 2025/6

Notice to all Presidents and Past Presidents,

District Governor 2025-2026 - Nominations

The role of District Governor is one of the most rewarding roles within Rotary and it is that time of the year where Rotary International District 9510 calls on nominations for the position of District Governor for 2025-2026.

The attached position description is designed to provide information to assist candidates. The attention of candidates is drawn to the details regarding the Zone 8 **regionalisation** pilot, which may see some changes to the role of the District Governor in 2025-2026. What we do know, is that Rotary International have insisted that District Structures are unaltered until the pilot period has been completed, assessed and evaluated. Being District Governor at this time of potential change in how Rotary in Zone 8 is structured will be an exciting opportunity.

In accordance with the District Bylaws, **nominations** are called for suitable members to apply for this rewarding and vital role in their Rotary service.

Applications must be in writing, together with the attached *DG Nomination Form* and supporting information emailed to the District Secretary secretary22-23@rotary9510.org, no later than Friday 24th February 2023.

Interviews are scheduled to take place soon after.

If you have ever thought of becoming a Governor of District 9510 now is your chance to apply.

Remaining yours in Rotary Service,

Paul

Lift The Lid Walk for Mental Health Research

The inaugural "Lift The Lid Walk – Campbelltown" is approaching. The event has been developed in partnership with the Rotary Club of Campbelltown and will start and finish on **Sunday 12th February 2023** at our Magill Sunrise Market.

The walk and talk format is deliberately not a race, but an opportunity to get people together and raise awareness of the serious mental health issues we face in all areas of our communities, schools, homes and workplaces.

Now more than ever, we need to break down the stigma that continues to plague our society so that people are more comfortable to discuss and seek help for mental health issues.

As the sole beneficiary of the walk series, 100% of funds raised from **LIFT THE LID WALKS** go directly to funding vital Australian Rotary Health research.

Let your friends know about this walk and encourage their participation. See [registration link](#).

Businesses wanting to show their support for the research work being undertaken should contact President Lindsay to discuss sponsorship opportunities.

Thanks
