### PRESIDENT'S REPORT

I've just been through 10 full days (and nights) of Rotary during the last fortnight!  
Exhaustion - no! Inspiration – absolutely, a recipe for supercharging my Rotary experience.

At the **Rotary International Convention in Melbourne**, the phrase "*making a difference in the world*" came to life when I saw the impact Rotary is having on people's lives around the world.

At the **District Expo** in the **Bonython Hall**, the phrase "*finding new ways to engage the public*" came to life when I saw the impact Rotary is having on people's lives locally.

At the **Centenary of Rotary in SA Dinner at the National Wine Centre**, the phrase "*proud of the past, confident of the future*" had meaning when Rotary's centenary project plan was released.

At the **Charter of the Rotary Club of Lightview**, the phrase "*responding to changing trends*" was demonstrated when I saw an enthusiastic new style Rotary Club come to life.

At our own **Magill Sunrise Rotary club meeting** this week, the phrase "*new beginnings*" came alive when we inducted an excited and eager new Rotarian.

**At every event**, the phrase "*the fun, fellowship and friendship of like-minded persons*" was experienced time and time again.

**Every day**, I met so many inspirational people who embodied the phrase "*service above self*" through their programs, projects and activities.

And **at the conclusion of the fortnight**, the phrase "*Proud to be a Rotarian*" made complete sense when I reflected on how much Rotary service achieves.

If you want the opportunity "**to do good in the world**" – it's simple. Get involved with Magill Sunrise Rotary (or any Rotary club)!

*Cheers,  
Lindsay*

## OUR NEW MEMBER: ALISON LYNCH

It is an absolute pleasure to have Alison join our club.

We hope that Alison will give us the benefit of her previous experience with the Rotary Club of Kent Town & the Rotary eClub.

These experiences and her enthusiasm will further strengthen the fellowship of this Club, and help us to serve this community and the wider fields of Rotary service.

Welcome Alison.

## REVIEW OF THE ROTARY INTERNATIONAL CONVENTION: MELBOURNE

Mark and Lindsay, accompanied by spouses Mari and Carol represented our club at the recent Rotary International Convention in Melbourne and gave their individual impressions of the event, running through the list of presenters and entertainers.

A reoccurring theme was the importance of eradicating Polio, where it only exists in 2 neighbouring countries in very few numbers. It may sound like an easy task, but front-line workers face the real possibility of being killed in pursuit of their humanitarian work.

The other theme was encouraging women to take a leading role, not just in Rotary, but the world. World President, Jennifer Jones was super impressive. Why she hasn't been offered a job at the UN is beyond the author.

Getting to and from accommodation to the Rod Laver Arena and the House of Friendship and Breakout Sessions at the Riverbank Exhibition Centre was not easy and as my old dad would say, taking 'Shanks Pony' was the best option; that's OK is fit, but the demographic of Rotary means many struggle on foot.

Overall, an impressive list of speakers, with plenty to see and do at the Hours of Friendship and Breakout Sessions. Not easy to get around, but free trams and trains in spare time made sight-seeing a breeze.

*Mark Thompson*

### QUIZ QUESTION:

Who was the first European to land in Australia?

**Answer: WILLEM JANSZON (1570-1630)**

Willem Janszoon, captain of the "Duyfken" landed on the western side of Cape York peninsula in 1606 and charted 300 kilometres of the coastline.

### ICE BREAKER:

Imagine that you were **trapped in a hotel lift**. The lights were out, the lift wouldn't move and the doors were shut and trapped on the wrong floor....What would you do??

**Responses:** Why not listen to **Mark Thompson's** real-life experience in a Melbourne Hotel and his MacGyver like actions to extricate himself from this tricky situation.

## THE ROTARY CLUB OF LIGHTSVIEW

The new Rotary Club of Lightsview celebrated its charter (in style) on Sunday 4th June 2023.

Congratulations to **President Stephany Martin** and all the new Rotarians in this brand new club. It will be exciting to see how they will serve their community in new ways!

## MINA WARD'S 40TH BIRTHDAY WALK

Many of you knew Mina, our Club President from 2015-16. Tragically Mina passed away in 2019 at just 36 years of age. To mark what would have been Mina's 40th birthday on 24th May, her family in the UK arranged a fundraising walk over 9 days covering 200 miles (322km) – with **a target of raising £1,000 for Rotary International**.

Currently **£2,788 (over AUD\$4,000)** has been raised. GREAT EFFORT.

## ROTARY CENTENARY PROJECT

**Rotary in South Australia will fund two scholarships for Indigenous PhD candidates**, as part of a newly developed major chronic disease prevention project aimed at improving the health outcomes of Indigenous South Australians.

The funding initiative **celebrates Rotary's 100th anniversary in South Australia**, with Australian Rotary Health as a key supporter, aiming to leave a legacy to positively impact future generations.

Contact President Lindsay if you want to find out more or make a donation.

**JACKPOT**  
**13 JUN 23**

**\$5.00**

### **The CHILDHOOD CANCER ASSOCIATION**

The Childhood Cancer Association provides practical, hands-on support for children with cancer and their families. The Association has evolved over time to offer a range of professional support services led by a small team of psychologists. When a child has cancer, it affects the whole family. Rotary's aim is to assist with the funding of Hospital Support Bags which includes practical, essential items for the whole family – and Elliot the dog to be a friend for the child throughout their journey.

### **The PETER NELSON LEUKAEMIA RESEARCH FELLOWSHIP FUND**

Supporting research funding for  
Cancer Council SA—since 1978.

Established by Marjorie Jackson-Nelson – the Lithgow Flash and former Governor of South Australia – in memory of her husband, Australian Olympic cyclist, Peter Nelson who passed away from leukaemia. The fund supports research into leukaemia with the goal of finding a cure for cancer. Promising progress is being made, with leukaemia survival rates increasing by as much as 20% in the past 20 years. Research currently being funded at SAHMRI is investigating alternative targeted treatment options for T-cell acute lymphoblastic leukaemia (T-ALL).

**We look forward to seeing you at the MAGILL SUNRISE MARKET on  
Sunday 11th June 9.00 am - 2.00pm at Campbelltown Memorial Oval**

Are you 18-25?  
Or know someone who is?
