## WELCOME & APOLOGIES

Welcome to Councillor Luci Blackborough (Guest Speaker); Assistant Governor Elizabeth Gagliardi (Campbelltown Rotary); Bernard Flynn; Erik & Monica

Apologies Ian, John K, Colin & Pauline,

## PRESIDENT'S REPORT

We are now deep into winter. Cold, wet, and still dark in the mornings. But on the bright side, August has a lot to offer on the Rotary calendar.

### Make sure you check out the events calendar.

- You can go to a 100-year-old's party (the Rotary Club of Adelaide)
- The band is tuning up (yes, there will be music at this Sunday's Market)
- Catch-up with local identities at Campbelltown Council's service club dinner
- Exercise your grey-matter at Lightsview Club's first ever Quiz Night
- Indulge in a Breakfast Plate and hot donuts at our (and Adelaide's) best Market!

And by the time you've done that, spring will be here.

But before you go, do a huge favour for an 18–25-year-old. Get them to apply for what could well be a life-changing experience at RYLA.

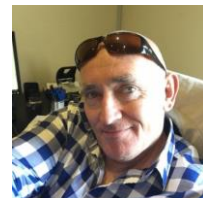

Cheers,

**Lindsay**

## NEXT CLUB MEETING 1226

7am, 15 August 2023, Heccies,  
31 Fisher St, Magill  
Club contact: Lindsay Davis  
0415 453 101

### GUEST SPEAKER: SIMON BOWEN

Former alcohol and drug addict Simon Bowen has been to hell and back. Now free from his addiction for over a decade he supports others at **Visible Recovery**, a private residential rehabilitation centre he founded in 2012.

All the counselling team at Visible Recovery are experienced masters level psychotherapists, and most are in their own personal and abstinent recovery. They are all walking the walk, and not just talking the talk... .

## GUEST SPEAKER: CR. LUCI BLACKBOROUGH

Our guest speaker last Tuesday morning was Councillor Luci Blackborough (Hectorville Ward). Luci was only aged 18 when first elected and she is now into her second term.

Luci told us she became interested in Local Government when as a 16–17-year-old she spent one day per week at the City of Unley as part of her school studies. She said that she had excellent mentors on how Councils operate, which meant by age 18 she thought she was able to transition from a member of YAC (Youth Advisory Council) to offer her services as a Councillor to the good citizens of the City of Campbelltown.

Luci gave us update on things happening in her ward and the City of Campbelltown and reminded us to look at a news update included with our Council Rates.

City of Campbelltown is also interested in feedback on published issue and any others that come to mind.

In Hectorville Ward, Luci brought us up to speed on surveys on traffic conditions in Ross Road and Gladstone Avenue. Two hundred thousand dollars has also been allocated to make Shakespeare Avenue user friendly for pedestrians.

Mounds have been created on the eastern side of Daly Oval for dirt bikers as well as an upgrade in process at the skateboard park near the Paradise bus interchange.

There was more, but being quick as well as eloquent this reporter was unable to keep up.

Luci is seen holding her Honorary Membership Certificate from our Club.

## QUIZ QUESTION

**How many clubs are there in District 9510 and what areas does it cover?**

### ANSWER:

There were many answers which were close to the answer. District 9510 now has 93 clubs (including the newly chartered Lightsview).

Discussion took place around the District's boundaries. The District covers from Robinvale and Broken Hill in NSW, to most of South Australia, including as far as Port Lincoln and up to Alice Springs in the NT.

## ICE BREAKER

In the media recently – zero alcohol consumption is increasing in popularity. One comment included that young people might have an increased likelihood of drinking alcohol and drinking at an earlier age.

**What are your thoughts on zero alcohol drinks? Would you swap to zero alcohol for health benefits? Do you think it's affecting our younger society?**

### RESPONSES:

If parents drink responsibly, then it carries on to their children. It's sporting clubs and the like who create issues.

Don't think it's an issue if young people are introduced into responsible drinking of alcohol.

A couple members have tried zero alcohol drinks (& enjoy them), including Greg who does during his Dry February.

## LUCI BLACKBOROUGH – HONORARY MEMBER

We were proud to confer Honorary Membership on Cr. Luci Blackborough at our last meeting.

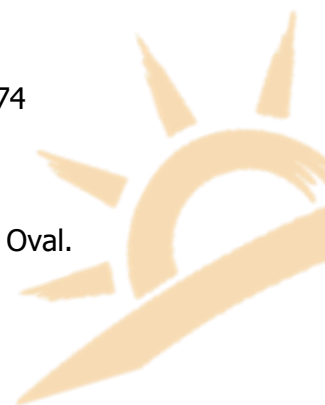

Honorary Membership can be awarded to "Persons who have distinguished themselves by meritorious service in the furtherance of Rotary ideals and those persons considered friends of Rotary for their support of Rotary's cause." They have no vote and are not eligible to hold any office in this club but may attend all meetings and enjoy all the other privileges of this club.

Luci's commitment to making positive change in our community was obvious during her presentation to our Club.

## MAGILL SUNRISE MARKET BENEFICIARY ADELAIDE YOUTH THEATRE

### THE MARKET IS ALIVE WITH THE SOUND OF MUSIC

Bernard Flynn and some mates will be bringing music to the August Market – and not just because they love performing.

Bernard recently received the Marryatville High School's David Hunter scholarship award for 'ongoing contribution and demonstrated commitment to the Marryatville High School Music Program'.

And on top of that, Adelaide Youth Theatre have offered Bernard the opportunity to tour across America with a selected group of other people from around Australia. The AYT group will sing, dance and perform on stages across Disneyworld and Universal Studios, then attend the Junior Theatre Festival in Atlanta. This Festival is the largest of its kind, involving over 5,000 other musical theatre performers as part of an international celebration and competition.

To round the trip off, the AYT group travels to New York to work with Broadway level producers, directors and actors in workshops and lessons, watch performances, speak to other actors and industry professionals and "attend events or cool experiences".

But a trip like this costs money.

So come out this Sunday and help us support Bernard's quest to fulfil a dream. And in years to come, you'll be able to say "I saw Bernard performing as a young lad at the Magill Sunrise Market"
