**VOLUME 27 | ISSUE 09,**  
1229 | 19 September 2023

### WELCOME & APOLOGIES

Welcome to Margaret and Jim Beare and President Susan Harris from the Rotary Club of Campbelltown, and to Honorary Member Anne Cole.

Apologies were received from Alison, Colin, Bruce, Monica, John F and John K.

### PRESIDENT'S REPORT

Our health system is under stress. **Can Rotary help?**

Well, yes. You all have heard about the benefits of staying active.

Check out our calendar of events – and take notice of the opportunities to:

- Stay physically active
- Stay mentally active
- Be regularly active
- Be active in our local community

These are things that Rotary does extremely well. The slogan "**People of Action**" makes sense.

Our Rotary Club members share a passion for both community service and friendship. Becoming a Rotarian connects you with a diverse group of community members who share your drive to give back.

And Magill Sunrise Rotary walks the talk – whether that be in the "City-to-Summit walk" to support Operation Flinders; walk-and-talk in the "Lift The Lid Walk for mental health"; or be part of the "Rotary Says No to Domestic Violence – Action & Awareness Walk".

Join us – take a walk or two for your health and the health of your community.

Cheers,  
**Lindsay**

## GUEST SPEAKER: MARGARET BEARE

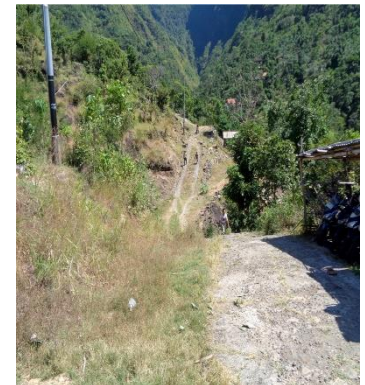

We were honoured by the presence of the Beare Family at our breakfast meeting, minus Baby Beare and Goldilocks.

Margaret and Jim Beare (RC of Campbelltown) have been visiting Bali for over 25 years and during that time touched base with a local woman, Ashi, who was a member of the RC of Bali Taman.

During the years their friendship strengthened and the Beare's would attend Bali Taman meetings, which lead to donations to local schools and Bali Taman projects.

Exposure to Rotary projects in a foreign country led to Margaret and Jim joining Rotary in South Australia, rather than first being a Rotarian who then helps others.

Margaret and Jim returned to Bali in May this year to see the fruits of the endeavours in funding (RC Campbelltown, Matching Grants and RC Bali Taman) three water storage facilities and 80 individual toilets in remote villages along with wheelchairs for the disadvantaged. These projects commenced in 2020 and were completed in 2023 in villages that are almost inaccessible by road.

The old story of feed a man a fish.....applied to these projects which were all built by village labour, which just lacked the finance but not the will. We were surprised to learn that eastern Bali has long periods of dry and prior to building, storage water had to be transported in at great expense. The cost to complete the toilet project was \$14,000, while the tanks cost \$9,000. Labour costs were nil.

A photo of a joyful 80-year-old woman, who for the first time had an indoor dunny brought home the significance of these life changing projects. Margaret announced that their next Bali project will be the installation of 75 more indoor toilets.

# ROTARY DISTRICT 9510

AFL Tipping Competition 

## DISTRICT 9510 FOOTY TIPPING COMPETITION

Your team may not have done as well as you hoped. You may not have tipped as well as you wanted. But there is at least one good result from the 2023 AFL season.

On behalf of THE ROTARY FOUNDATION - THANK YOU for your support this season.

Your participation and the generosity of so many prize winners, sees **\$1,265.00** going to The Rotary Foundation.

In case you are not familiar with the Rotary Foundation, it transforms gifts such as ours into service projects that change lives both close to home and around the world – including projects to eradicate polio, promote peace, advance world understanding, improve health, support education and alleviate poverty.

Rotary unites people of action – and gifts to The Rotary Foundation help fund projects in communities that most need help.

Whether you finished amongst the prize winners - or struggled to tip a winner this season, you have assisted a very worthwhile cause.

On behalf of the Magill Sunrise Rotary Club and Rotary District 9510, we hope you had some fun – and we look forward to seeing you back next year.

## CLUB ANNIVERSARIES

**HAPPY 51<sup>st</sup> WEDDING ANNIVERSARY  
MARK AND MARI**

## CLUB BIRTHDAYS

**Congratulations and Happy Birthday to Graham on his milestone birthday**

You now have an OBE – Over Bloody Eighty. Enjoy your day!

Hi, I am **MARTY**, the Magill Sunrise Market Mascot. I was lovingly made by one of the market's awesome stallholders - [lovingbearsbyvita](#).

I have been at the market for a year now making sure the sausages are cooked properly and that there is an abundance of yummy donuts.

Come along to our October Market on Sunday 8OCT between 9am and 2pm and keep an eye out for me while you are looking around. I'll be hiding somewhere.

When you find me, take a selfie with me and tag [#magillsunrisemarket](#) on Instagram then show the post to the Rotary staff at the BBQ tent outside for a **free Hot Cinnamon Donut**. **HAPPY HUNTING!!**

## QUIZ QUESTION

With AFL finals occurring at the moment, let's have a football question.  
**How many umpires are there on the ground in an AFL match?**

**ANSWER:** As I was standing in for Alison who is sipping Pina Coladas on the high seas in the Pacific and personally didn't have a clue to the correct answer. Alison had put forward **NINE** (9) 2 x goal umpires, 4 x boundary umpires and 3 x field umpires. **However**, apart from those who said there were too many, the footy tragics in the club all agreed there were **TEN** (10) - 2 x goal umpires, 4 x boundary umpires and 4 x field umpires.

## ICE BREAKER

It's AFL finals time and every year the conversation occurs around where to hold the Grand Final and what time of the day.

**Do you think interstate teams are disadvantaged by the Grand Final being held at the Melbourne Cricket Ground every year? Do you think a night match would work better?**

### Responses:

Most thought the biggest disadvantage was to teams who played in places like Darwin, Ballarat or in Tasmania.

It was generally agreed that no AFL team should have the MCG as their home ground as it gave those teams a distinct home ground advantage, especially if they ended up in the finals.

It was split on whether the Grand Final should be played at the MCG every year.

There were no takers for a night Grand Final.

Most thought this would be a hindrance to the post match celebrations or the drowning of sorrows.

## REMINDER!

**It's that time again to change the clocks.**

**Sunday 1<sup>st</sup> October**

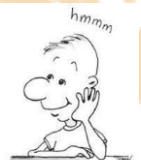

**Turn your clocks forward by one hour**

## PRESIDENT'S THOUGHT FOR THE DAY

When visiting Bali .... Take away your memories ... but leave only footprints.

- or in Margaret's case -

Take away your memories ... and leave toilets & water storage facilities!

### Council Waste Bins

Best practice advice around what goes into your different bins does change, so it is important to be up to date from the best source. East Waste

(<http://eastwaste.com.au>) is the group that services the Adelaide Eastern Suburbs. Look up your local depot for their advice. Here are some interesting tips that can make all the difference in successful recycling.

tennis ball sized or greater to be successfully recycled. This can be done by placing small items into a larger item of similar material.

- Cut a slit in your **plastic milk container** and fill it with all the other small plastic lids. Don't forget to put the milk container lid back onto the milk container to stop all the contents from spilling back out.
- **ALUMINIUM** Foil can be wrapped into a tennis ball sized object and placed in the (YELLOW) recycling bin. Wrap any smaller aluminium items such as wine bottles lids inside the ball.
- **GREASY CARDBOARD** (eg Pizza Boxes) should go into the GREEN bin. It is great for offsetting the moisture found in lawn clippings and speeds up the composting process. Small cardboard items like toilet rolls are also useful here too.
- **ENVELOPES** with or without windows can go into the (YELLOW) recycling bin.
- **EMPTY AEROSOL** cans (with the lids removed) can be placed in the (YELLOW) recycling bin.
- **SHOP RECEIPT DOCKETS** are printed on plastic composite containing the chemical BPA and should go to LANDFILL. They should not be recycled.
- **POLYSTYRENE** cannot go into the yellow bin, but specialist recyclers can accept it. Checkout ([Tricky Waste Items - East Waste](#)) to find a list of organisations around Adelaide that can take polystyrene.
- **WINE CORKS** are being collected for recycling at selected Dan Murphy stores.

There's even one for Presidents.

### The entertainment

#### "THE SWINGIN' WILLIES"

Contrary to what you might think, The Swingin' Willies take their name from Willie Nelson's love of the great standards of the 30's and 40's and the good time Jazz and Texas swing from the dance halls of a bygone era.

It's a night of songs you've forgotten that you love. Cole Porter, George Gershwin, Dean Martin, Glen Campbell, Johnny Cash and of course Willie Nelson. Throw in some early Beatles, some Rolling Stones, a smattering of Bill Haley and Buddy Holly, and of course some Elvis rockabilly classics, and your feet wont stop tapping, your hands wont stop clapping.

Featuring wild fiddle solos, blistering Gretsch guitar and four part vocal harmonies, The Swingin' Willies are just plain fun. But don't take our word for it, get up on the dance floor and see for yourselves!

### Special guest performer - John Schumann

*'Schumann's voice carries the wind in from the outback. It has grains of red dust and yellow earth, it's flecked with toil, hardship, humanity and love. It's as old as the land, with a gnarled weariness, like the weathered bark of a gum, tinged with the light of hope. He sings of Australia, of its past and present, its people'* Warwick McFadyen - Daily Review

John Schumann is, perhaps, best known to baby boomers for his leadership of the folk-rock band, Redgum. John regularly performs with the Swingin' Willies, and together with the band perform Australia wide.

For those who were born after he was young, thin and a pop star, John was the singer-songwriter responsible for the Vietnam veterans' anthem "I was only 19". He hastens to assure us that he has written many other songs
