**VOLUME 27 | ISSUE 12,**  
**1232 | 17OCTOBER 2023**

## WELCOME & APOLOGIES

Welcome to Marilyn Russell (Guest Speaker and PP Rotary Club of Morphett Vale and Interplast District Chair); Betty Gebert (Rotary Club of Campbelltown)

## PRESIDENT'S REPORT

The Rotary International President's theme for 2023/2024 is **"CREATE HOPE in the WORLD"**.

One way to do that, is by being involved with important people in our community. And note: to be 'important', you don't have to be famous.'

Some of the 'important people' the Rotary Club of Magill Sunrise will help over the coming months are:

- Older people in our local community at Council's Ageing Well Expo
- Younger people at the Morialta Secondary College Sports Day BBQ
- The Magill RSL veterans at our 80's themed Quiz Night
- Our families, friends and colleagues through the 'Rotary Says No to Domestic Violence walk'.

Why not join us to *create hope in the world* for these people.

Cheers,  
**Lindsay**

## NEXT CLUB MEETING 1233

7am, **07November 2023**,  
Heccies, 31 Fisher St, Magill  
Club contact: Lindsay Davis  
0415 453 101

**Guest Speaker:**  
**MOLLY SWEENEY**

**Topic:** "Young People and the  
Young at Heart"

Come along and join us. It will be a chance to learn about what some young people are doing – and possibly set a world record as we learn how to feel young.

**I'M YOUNG AT HEART.  
SLIGHTLY OLDER IN OTHER  
PLACES.**

CREATE HOPE  
in the WORLD

## GUEST SPEAKER: MERILYN RUSSELL

Our Guest this week was Marilyn Russell, newly appointed district coordinator for Interplast (Australia and New Zealand).

Forty years ago, volunteer surgeons, anaesthetists and allied health professionals started visiting hospitals in developing nations across the Pacific/Asia region to provide plastic and reconstructive surgeries plus post operative care to people who would otherwise not afford or access life changing care.

Rotary was a founding partner with these dedicated medicos. The work of Interplast would flounder without the help of Rotary, such as caring for families who are domiciled in Australia for months pre- and post-surgery. Marilyn told us of the problems created by Covid and some of the innovative ways surgeons on the ground in Australia could advise other surgeons via Zoom in countries such as Nepal.

Marilyn also told us other success stories, but also the costs involved like, \$2,500 to train a nurse or \$70,000 to fly a medical team and equipment to a remote country. For more information on the work of Interplast and how to donate then click on this link <https://interplast.org.au/learn-more/our-work/>

Well done, Marilyn.

## CLUB BIRTHDAYS

**HAPPY BIRTHDAY WISHES TO  
GREG, ROBYN & ANNE**

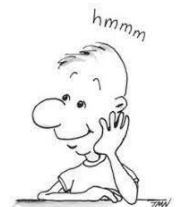

**ENJOY YOUR SPECIAL DAY**

### PRESIDENT'S THOUGHT FOR THE DAY

"The oldest, shortest words - 'yes' and 'no' - are those which require the most thought."

~Pythagoras

### QUIZ QUESTION

Where did Halloween originate (as it wasn't in America)?

**ANSWER: IRELAND.** Halloween began as a pagan celebration over 2,000 years ago.

Alison decided to give away a Halloween pumpkin to make the quiz just a little more enticing. Simon was the lucky winner.

## ICE BREAKER

Halloween is now the second most commercially successful holiday (after Christmas). It is estimated that they spend \$5 billion US just on this day.

**What do you think about Halloween and how it is celebrated in Australia? Do you know of anyone who actively trick or treats, and do they enjoy it? Do you find the practice a little dangerous?**

### Responses:

Betty decorates her house every year, so that people will knock on her door to trick or treat. Lots of discussion around rules about decorating your house, or houses being given a balloon to put up to let kids know they can knock on the door.

Simon shared that he was in America just before Halloween one year and was amazed at how big they celebrate eg one house had a huge spider draped over it, another had hay bales with lots of scarecrows.

Mark had a friend who used to spend hundreds on Halloween, so he moved house.

Lots of discussion around damage that can occur if you refuse to give treats.

Robyn shared a great story about one year when it rained and Graham had to drive his Grandson around trick or treating.

Ian shared that he has a Canadian staying with them at the moment, who is teaching them the fine art of pumpkin carving.

## ROTARY YOUTH EXCHANGE

The Rotary Club of Morialta is seeking assistance with hosting of a Japanese student around April to June 2024.

The student is attending Charles Campbell College and has a very high level of English language skills.

Hosting is an enriching and rewarding experience for the student and host family alike - so contact President Lindsay if you are interested in more information about hosting.

## ROTARY SAYS NO TO DOMESTIC VIOLENCE ACTION AND AWARENESS WALK

Rotary has been active in South Australia for a Century.

We are part of a worldwide respected group of volunteers passionate about issues in our community.

Partnering with our friends at Zonta, we bring together this parade to offer your organisation an opportunity to walk in solidarity with others working in this space, to peacefully raise awareness of Domestic Violence and Coercive Control issues that surround us.

This will be a non-confrontational, educational walk.

Rotary's aim is to encourage dozens of separate organisations; government agencies; programmes; support services etc to walk in unison to raise awareness of Domestic Violence in our community, with a particular focus on Coercive Control.
