## PRESIDENT'S REPORT

It's widely recognised that Members will stay if their club experience is fulfilling.

In a recent survey of members, 25% rated our club 10/10 – ie. perfectly meeting their needs. Overall, we scored a rating of 8.8.

Congratulations! That's a whole team effort - and good news. However, it confirms there are at least small things we could do to improve members' experience - and we always need to think about what will help us stay strong.

Many thanks to Bruce for his time and effort in extracting ideas from members during this club survey.

Thank you to every member for your ongoing input on the suggestions. We value feedback to ensure we continue developing and delivering your ideal club experience.

Meanwhile, November was a superb *Magill Sunrise Market*, continuing the growth and success seen this year. Congratulations to everyone involved.

We also had the pleasure of making John Stuart a *Paul Harris Fellow*. Congratulations to John on a truly deserved award.

And if you haven't already done so, please:

- Help us fill the room by booking a table (or some seats) at [www.magillrotary.org.au/quiz](http://www.magillrotary.org.au/quiz) for the *80's themed Quiz Night* on Saturday 28<sup>th</sup> November in aid of Magill RSL veterans.
- Register (free) at [www.StopCoerciveControl.au](http://www.StopCoerciveControl.au) to join our *Walk for Respect* on Saturday 25<sup>th</sup> November to help educate the wider community and support domestic violence service organisations.

Cheers,  
**Lindsay**

## NEXT CLUB MEETING 1235

7am, **21 November 2023**, Heccies,  
31 Fisher St, Magill  
Club contact: Lindsay Davis  
0415 453 101

### Guest Speakers:

### JODIE SARD & MOLLY SWEENEY

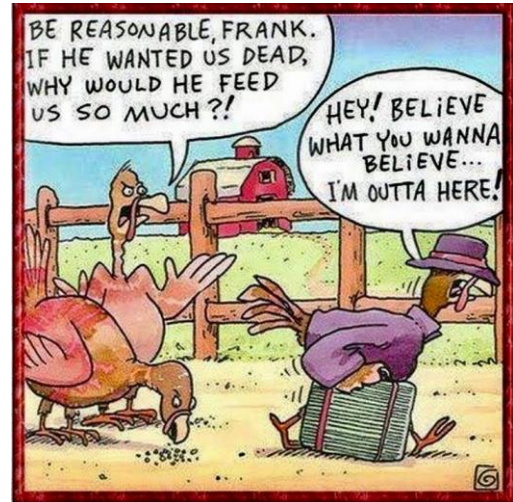

Come along and join us for this interesting morning.

**Jodie Sard** is the Vice President of Amnesty International SA/NT. Amnesty International is the world's largest and most-respected human rights organisation. a diverse and democratic movement of people who demand dignity, freedom, justice and equality for all.

**Molly Sweeney** will tell us about her experiences at RYLA. The recently held Rotary Youth Leadership Awards,

## PRESIDENT'S THOUGHT FOR THE DAY

An angel number is a repetitive or predictable sequence or pattern of numbers, such as 1234.

Today is the Rotary Club of Magill Sunrise's meeting number 1234. In numerology:

- 1234 is a number sequence that represents moving upwards —like steps on a ladder.
- 1234 is a sign that heading out of your comfort zone is a good idea and will lead to personal growth.

It's opportune that our meeting 1234 is going to consider plans for taking our club onward and upward.

So, if you feel like the universe (or angels) are on our side whenever you attend Rotary, maybe it's true!

## BIRTHDAYS

**HAPPY BIRTHDAY WISHES TO  
LINDSAY and BETTY**

**ENJOY YOUR SPECIAL DAY**

## CLUB DISCUSSION

Today instead of having a quiz question and ice breaker, we tackled a discussion topic around the Peace Pole project. As you all know, the Rotary Club of Adelaide aims to distribute 100 Peace Poles in recognition of the 100 years of Rotary in South Australia 2023-24.

"Peace Poles are set into the earth, with the Universal Peace Message '**May Peace Prevail on Earth**' written on each side in four languages. They symbolise our common wish for a world at peace. They stand as a silent vigil, reminding us to think and act in the spirit of peace.

Magill Sunrise offered to fund a Peace Pole to go into **Nightingale Park, Magill**. Council then offered to fund this project for us, but it was then cancelled in the last financial year.

Council has again picked up this project and as part of sorting the logistics, have asked the question – what 4 x languages we would like to have featured on the Peace Pole and would like to use the wording "May Peace Prevail on Earth".

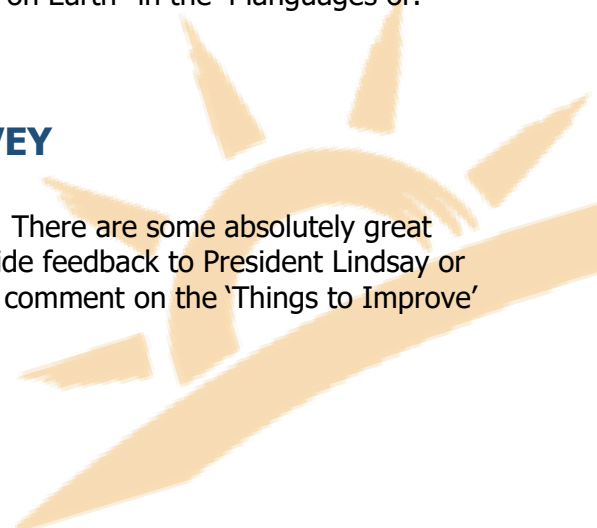

"The 4 languages chosen are often based on the cultural heritage of the owner or group or focussed on the historical or current conflict regions of the world.

The Club decided to use the wording "May Peace Prevail on Earth" in the 4 languages of: English, Kurna, Indian (Hindi or Punjabi) and Italian.

## MEMBER SURVEY

Full details on the member survey have been circulated. There are some absolutely great comments and suggestions – so please continue to provide feedback to President Lindsay or any board member – particularly to support, disagree or comment on the 'Things to Improve' ideas.

## ROTARY YOUTH EXCHANGE

The Rotary Club of Morialta is seeking assistance with hosting of a Japanese student around April to June 2024.

The student is attending Charles Campbell College and has a very high level of English language skills.

Hosting is an enriching and rewarding experience for the student and host family alike - so contact President Lindsay if you are interested in more information about hosting.

## JOINT MEETING WITH ROTARY CLUB OF TEA TREE GULLY

There is no meeting on Tuesday 5<sup>th</sup> December. Instead, we will join with the Rotary Club of Tea Tree Gully at **Tea Tree Gully Golf Club** (their regular venue) on **Wednesday 6<sup>th</sup> December 2023, from 6.30pm.**

The guest speaker is **the Hon. Frank Pangallo MLC** who introduced the *AED Public Access Bill* to SA Parliament. The minister will speak about the legislation which will assist planning for how Area 8 Rotary clubs can effectively support our local communities in partnership with *Heart of the Nation*.

Bookings are required. Please advise President Lindsay if you are able to attend.

**ON SALE NOW!** Plants are labelled with the initials of their species in brackets.

## TREES

***Allocasuarina verticillata* (Drooping sheoak) (Av)**

is a nitrogen fixing native tree of southeastern Australia. A medium sized bushy tree that has a rounded head. It has weeping dark green branchlets that produce brown male flowers from winter to early spring. Grows to 8 metres tall with a spread of 4 to 5 metres. Food and habitat for birds.

***Eucalyptus cosmophylla* (Cup gum) (Ec)**

Can be used as a small street tree. Attracts native birds and insects. Grows to 10 meters tall with up to 10 metres spread.

This species is classified schedule 1, Regulation 24.2 under the Sewerage Act and may be planted in any street or road in any drainage area provided they are not planted closer than two metres to any sewer main or connection.

***Acacia provincialis* (Swamp wattle, Wirilda) (Ap)**

Tree 5–10 m high. Flowers throughout the year with peaks in Sept.–Oct. and Dec.–Jan. Full sun to semi-shade  
Native to the Mount Lofty ranges

## SHRUBS

***Rhagoda candolleana* (Sea berry salt bush) (Rc)**

A dense sprawling wide, generally low shrub. Shiny dark green semi succulent leaves. Whitish flowers, Sep-Dec. Followed by light to dark red, juicy flat bitter tasting berries which the Indigenous ate along with its leaves. A great plant for making a native hedge. Salt tolerant and found in a wide range of habitats and soils. Height x Width: 1.5-4m x 1-2.5m. Moderately well drained soils, tolerant of acidic and alkaline soils. Full sun to semi-shade

***Olearia passerinoides* (Slender daisy bush) (Op)**

Flowers during the summer. The white flowers are about the size of a 10-cent coin. They are shrubs to about 3 metres tall and 2 metres wide. They need to be pruned to prevent the flowers appearing on the wispy ends of foliage. New growth appears low down in the bush and pruning can be done at these points to force out more dense foliage and create a tidier bush.

Daisy bushes attract butterflies and the birds that chase them.

***Templetonia retusa* (Cockies tongue) (Tr)**

Handsome rounded shrub 2 x 2 metres. Large red pea like flowers in winter to spring. Prefers well drained soil in full sun to semi-shade.

Pruning promotes compact growth habit. Can be used for an informal hedge or barrier.

***Dianella revoluta* (Flax lily) (Dr)**

An erect, hairless, perennial herb with a lifespan of many years, forming clumps and growing from rhizomes underground. Grows to about 1m in height and has a diameter of up to 1.5m. The leaves are leathery, long and linear, varying in length from 1.5 – 8.5 cm and width from 4 – 15mm.

This species flowers from spring to summer and has deep blue to purple inflorescences.

## GROUND COVER

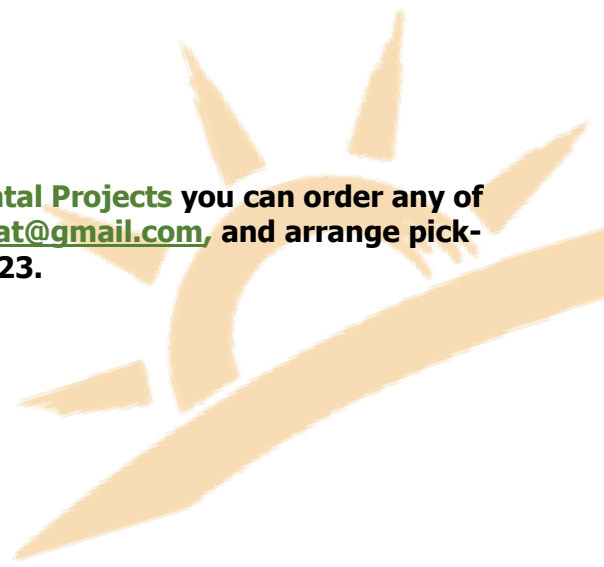

***Disphyma crassifolium* (Round leaved pigface) (Dc)**

A native succulent with masses of bright pink flowers. A tough and useful groundcover which does well on a wide range of soil types, including saline and sand. Rooting at the nodes makes it a great plant for soil stabilising. The foliage is fire retardant, so can be used for plantings close to buildings in bush fire prone areas instead of more flammable plants. Plant in full sun to part shade. All parts of Disphyma are edible, the leaves can be used for stir fries, salads and for pickling.

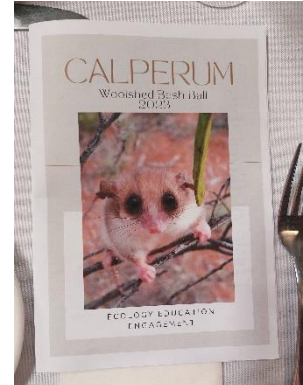

To help raise funds for **Calperum Environmental Projects** you can order any of the above plants from Suzette on [suzette.coat@gmail.com](mailto:suzette.coat@gmail.com), and arrange pick-up or collect from the next market on 10DEC23.

**\$5 per tube or 5 for \$20.**

Morialta Rotary Club (and their BBQ trailer) will also assist us. Please advise Lindsay if you can spare a few hours around lunchtime to help build our connection with the new College and its community.

### **OUR NEWEST PHF – JOHN STUART**

*President Lindsay with Di and John Stuart and RCMS members.*

At the conclusion of the November Magill Sunrise Market, we had the enormous honour to present a Paul Harris Fellowship to **John Stuart**.

Apart from John and his wife Di being wonderful people, John's master craftsmanship skills in woodwork have led to many highly benevolent actions, including significant donations to club raffles. His life achievements and selfless actions are aligned to the ethos that Paul Harris brought to Rotary way back in 1905.

John's talent has been a feature of his working life as a ceiling fixer, his teaching career at TAFE, and the quality wood products he offers at the Market. And John has also made a significant contribution to the many organisations he has been involved with, including the Gums Landcare Group and Surf Lifesaving at Christies Beach.

The presentation of a Paul Harris Fellow can be made following a substantial contribution to the Rotary Foundation one of the most effective charity organisations in the world. It is named in recognition of Rotary's founder, Paul Harris. The Magill Sunrise Rotary Club awards a Paul Harris Fellow as a tribute to a person whose actions are consistent with the objectives of the Rotary Foundation – to improve lives and create a better world. John is a very deserving recipient. ***Congratulations!!!***

## ROTARY SAYS NO TO DOMESTIC VIOLENCE ACTION AND AWARENESS WALK

Rotary has been active in South Australia for a Century.

We are part of a worldwide respected group of volunteers passionate about issues in our community.

Partnering with our friends at Zonta, we bring together this parade to offer your organisation an opportunity to walk in solidarity with others working in this space, to peacefully raise awareness of Domestic Violence and Coercive Control issues that surround us.

This will be a non-confrontational, educational walk.

Rotary's aim is to encourage dozens of separate organisations; government agencies; programmes; support services etc to walk in unison to raise awareness of Domestic Violence in our community, with a particular focus on Coercive Control.

[www.StopCoerciveControl.au](http://www.StopCoerciveControl.au)

Walk with **RESPECT** in this peaceful parade  
**Saturday 25 November 2023**
