WELCOME

Welcome to Guest Speaker Alice Josaf, Dr Godfrey Sibanda and Lynne Mack (Rotary Club of Mississauga).

PRESIDENT'S REPORT

"Neither rain, nor snow, nor sleet, nor hail shall keep the postmen from their appointed rounds" is reputedly the postal carriers' motto.

Possibly Magill Sunrise Rotary's motto should be "Neither rain, nor snow, nor blistering heat shall keep our stallholders from their much-loved Market".

With the temperature forecast showing 39 degrees, the social media marketing messages switched to:

"Our fully indoor and air-conditioned market is go folks. Come on down and escape the heat while looking around at some amazing arts and crafts as well as the Repair Cafe Campbelltown.. Even food service is inside to make things easier for you to get out of the heat."

And we can now confirm, it was **HOT**. However, all the stallholders and all the customers agreed it was another really **COOL** market.

The bonus was, proceeds from this Market will help repurpose and gift mobile phones to victims of domestic violence (DV) through registered charities, safe houses and authorities serving this vulnerable community.

Safe Phones are provided as part of an individual's 'safe' or 'escape' plan' offering a lifeline to call for help when it is needed most.

So, thank you to the dedicated Magill Sunrise Market community for managing through some tough weather, and for providing a great day out for so many people, plus assisting victims of domestic violence.

Cheers
Lindsay

CREATE HOPE
in the WORLD

GUEST SPEAKER: ALICE JOSAF

This morning our club had the pleasure of welcoming Alice Josef, a physiotherapist working in the aged care sector and a passionate supporter of AFADU and Dr Godfrey Sibanda, a director at the Lirhanzo Childrens Village in Zimbabwe, and medical practitioner here in Adelaide.

AFADU – Aid for Africa Down Under was founded in 2004 by former Chairperson, Julie Routledge, following a trip to Zimbabwe, where she

Pres. Lindsay with Dr Godfrey Sibanda and Alice Josaf.

observed the poor conditions in which a group of orphaned and other vulnerable children lived in Chikombedzi, Mwenezi District, in Zimbabwe.

Alice explained that most of the children were orphaned due to the death of their parents from HIV, but some are just abandoned. Today the Lirhanzo Childrens Village, Lirhanzo meaning love in the shangaan language, supports fifty-five children. Here they are nurtured with love, given shelter, food, an education and medical attention.

Apart from the village AFADU also supports the Chikombedzi Hospital where Dr Sibanda was born.

Alice told us about the projects within the village helping to make them self-sufficient, such as the Chicken Project which provides both eggs and chickens. The Water Project which provides safe accessible drinking water, the Solar Project providing power to the water pumps and the Commercial Garden Project which provides food to the village and the surplus is sold at market to provide funds for the village.

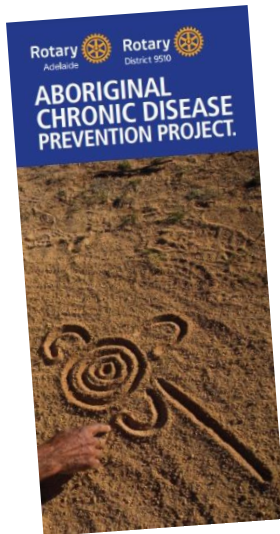

Education is very important and AFADU believes it is this which will give the children a better chance in life. The schools which have been built in 2017, 2019 and 2023 provide education for not only those at the LCV but the local community. They have children that have now gone through to university and are able to contribute back to LCV.

Alice told us that AFADU is an Australian non-profit, non-government charitable organisation which was registered in 2004. It is also a RAWCS project.

We were told that \$80 per month covers the cost of sponsoring one of the children which includes food, education and care.

Alice ended with a quote from Audrey Hepburn,

"You have two hands: one to help yourself, the second to help others".

ABORIGINAL CHRONIC DISEASE PREVENTION PROJECT

The plan is to deliver an enduring and worthwhile legacy to mark the Centenary of Rotary in South Australia.

The specific project aims to upskill an Aboriginal healthcare workforce in chronic disease prevention.

Magill Sunrise Rotary has been able to contribute to this project with proceeds from Magill Sunrise Markets.

COFFEE AND A CHAT – 19 MARCH

Our meetings are only an hour long with much packed into 60 minutes. The members survey suggested we get together and for those who can stay on, after the meetings downstairs at the **Daly Coffee Kick.**

If you're available, join us for a coffee and a chat.

ICE BREAKER

With the start of the AFL season this last weekend, we also have the Gather Round coming up on the weekend of 4th April. In 2023 40,000 people came to SA from interstate, with 150,000 visitor nights recorded at accommodation venues.

In 2024 accommodation prices are through the roof in Adelaide. At the beginning of March, 23 properties were listed at over \$10K for the four day weekend, with top prices being - North Haven \$19K and West Beach \$18K. Top Air BnBs are also charging well over \$1,000 for the weekend.

What are your thoughts on people cashing in on the AFL's Gather Round being held in Adelaide?

RESPONSES:

There was surprise that there is that much demand for accommodation during the Gather Round weekend.

A lot of people rent out their house and then fly interstate for the weekend.

Airlines and hotels do the same thing during peak times.

It is a free market...

It is also greedy and price gouging.

The Air BnBs are cheaper...

QUIZ QUESTION

What is the highest temperature ever recorded in Adelaide?

ANSWER: – 46.6 degrees on 24 January 2019

ROTARY PEACE FELLOWSHIPS

Each year, Rotary awards up to 130 fully funded fellowships for peacebuilders from diverse backgrounds to study at one of our peace centres located at leading universities around the world. This year, we'll select 50 peace fellows to study in our master's degree programs at six partner universities in Asia, Australia, Europe, and the United States and 80 fellows to earn postgraduate diplomas through our professional development certificate programs at Makerere University in Uganda and Bahçeşehir University in Turkey. Rotary Peace Fellows use their training to amplify their work at the local, regional, or global level.

Candidates have until 15 May to submit applications to The Rotary Foundation.

Thanks to generous support from donors and the dedicated participation of Rotary members, the peace fellowship program has more than 1,700 alumni working to make positive change in more than 140 countries. Many program alumni have founded their own organizations to address critical issues or serve as leaders in governments, nongovernmental organizations, educational and research institutions, media and the arts, and international organizations like the United Nations and the World Bank.

To learn more about how you can recruit the next generation of peace fellows, contact your district Rotary Peace Fellowship subcommittee chair or write to rotarypeacecenters@rotary.org.
