

Lindsay Uninterrupted

VOLUME 27 | ISSUE 27,
1247 | 02 APRIL 2024

WELCOME

Welcome to Lynne Mack (Rotary Club of Mississauga).

PRESIDENT'S REPORT

It was great to **C** everyone again and **C**elebrate after the Easter weekend.

We had a great report on some really impressive presentations at the District **C**onference; followed by an enticing travel promotion for a Murray river **C**ruise; rounded out by insights into the environmental plans and **C**ommunity action projects of **C**ATE (Calperum and the Environment).

C inside for more details on these activities.

Meanwhile, my Easter included a few days at Goolwa, where I was reminded about the benefits of making Rotary's public image a priority.

Goolwa Village is the main shopping centre. It's colourful and vibrant – and full of reminders and promotions about the impact of the local Rotary Club.

During my visit, I spied multiple community notice boards; a reduce plastic environmental initiative; a DV Safe phone collection box; 3 money spinners; a large ceiling banner and numerous notices about Rotary's activities.

Well done Rotary Club Of Goolwa. What a fine example of communicating service activities and public image messages.

Goolwa was a great reminder about how important it is to help others understand who Rotary is and how Rotary Clubs make a difference as people of action. So please join me in publicising our club's efforts and sharing the impact we make – with confidence it will help attract more members, volunteers and donors.

Cheers
Lindsay

FOR THE DIARY APRIL MEETINGS

2nd, 9th & 16th
First three Tuesdays of
the month

NEXT CLUB MEETING

1248

7am, 9th April 2024

Heccies,

31 Fisher St, Magill

Club contact: Lindsay Davis

0415 453 101

Guest Speaker:
BERNARD FLYNN

Bernard recently had the opportunity to tour internationally with selected Australian youth performers to sing, dance and perform through Disneyworld, Universal Studios, Atlanta (as part of an international celebration and competition) and onto New York and Broadway.

What was the highlight? How did the Competition go? What's next?

Join us for a world tour!

IN-HOUSE MEETING

Bet G, Ian and Suzette C were the only club members who attended District Conference Loxton, 15-17 March and both Bet and Ian gave us summary of some of the outstanding presentations.

Bet was impressed with Michael Crossland's address: The Power of Perspective. Born with cancer and an early life of isolation in his home at Coffs Harbour, Michael's mother encouraged him to be resilient. Always wanting to play sport like the other kids, Michael's dream of playing college basketball in the USA were dashed when he suffered a heart attack prior to departure on a scholarship. As he matured, he went from financial Wikid to losing the lot and having to move with his mum from a mansion to a caravan.

Not discouraged by the removal of six tumours in 2022 he continued as a full-time motivational speaker.

Bet also found the Clubs 'Soapbox' moments very informative, where each club could strut their stuff re project and upcoming events. Bet also said The Current Reality of Ukraine - New Dawn Project (Odessa) was informative.

Ian thought that the Youth Alumni presentation a stimulus for something that our club could pursue re attending of the various youth programs that we sponsor. Ian also addressed us on one of the Rotary Areas of Focus, **The Environment**.

Rotary International has already spent \$23M on the Environment. Ian expanded on other issues like Community Action for Fresh Water and Calperum, the latest Rotary environmental project of its kind in Australia. A bit of history; Calperum was sold to the Chicago Zoo in 1993 and then donated to the SA Government.

Continuing with a River Murray theme, Simon B presented an idea that he and Pauline have been working on: a 4-day Riverboat adventure for the Club.

Simon's use of overheads, photos and word pictures sold this subeditor, as were most in attendance. Simon will suggest some dates. Obtaining consensus should be interesting. Anyway, well done Simon and Pauline.

Mark Thompson

Guest Speaker Co-ordinator

President Lindsay was snapped during set up this morning. Mark suggested members add their own caption. Here are some which arrived on my desk and far more than expected: -

'I've got this theory about metal and lightning, is it stormy outside?'

'When do the pole dancers arrive?'

'El Presidente, getting instructions on how to perform the Limbo Rock!!'

'Our president the multi tasker' 😊

"If I hold this dipole antenna exactly 1.23m from my head to act as a parasitic reflector element, I can get an extra two bars on my phone!"

"Hi DG Craig, just letting you know we have inducted a new club member. Tall and thin. His name is Rod."

"I rule with an iron fist, oops rod."

"Your spear less leader on the phone, seeking directions!"

"I've got the banner down, what's next?"

"You want me to shove that where?"

"Why not have pole dancing at the next Magill Sunrise Market?"

PROPOSED CLUB HOUSEBOAT WEEKEND

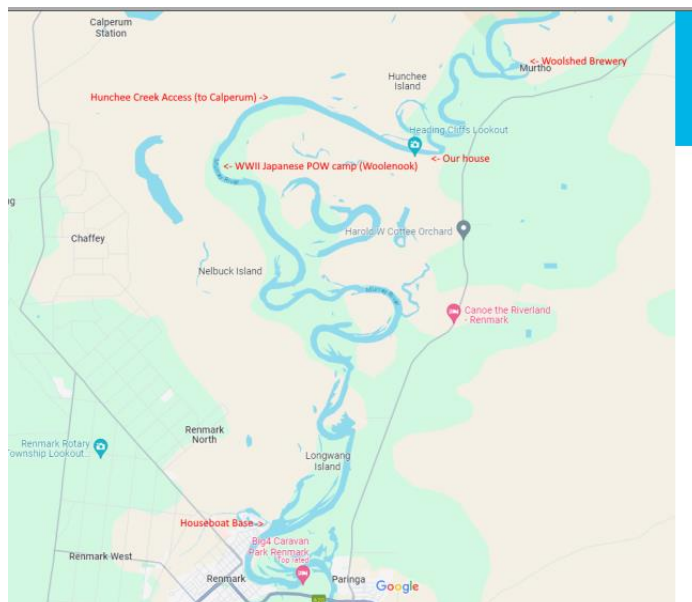

Magill Sunrise has had a long history of heading off for weekends together exploring new places and getting to know each other better. We recently discovered that a bunch of members are serial house boaters, so we thought we may as well leverage that knowledge to see if we can make a houseboat weekend happen.

Renmark is a perfect location in many respects and has a very strong tie in with a project our club has been involved with for years at Calperum. So, while we're enjoying the Riverland sunshine, each other's company and maybe a few good wines over a camp fire, We can also check out Calperum from the river perspective and learn more about it.

Modern houseboats are very well equipped with separate bedrooms and queen beds, two bathrooms and all the mod cons of heating & cooling and creature comforts. What they also bring is ever changing scenery and your choice of where to be to enjoy a perfect sunset and a stunning night sky. If you've never been before then it's time you did!

Several dates are proposed in the separate presentation done this morning. What we need to know fairly urgently is:

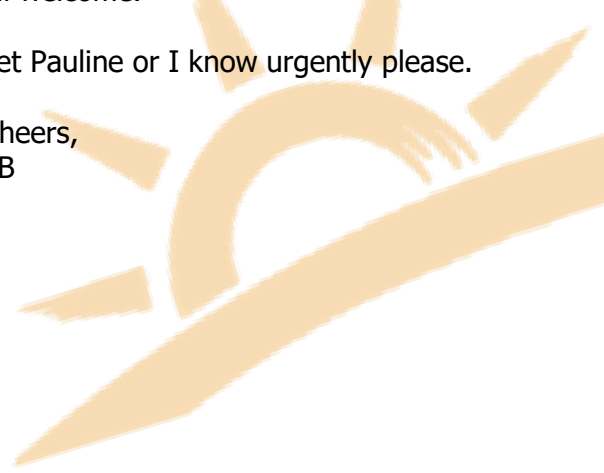

- Are you interested?
 - If so, what are your preferred dates?
- June for the Change Over
August
September
After the LTLW in October
Other

The final decision will be made depending on how many wish to attend and whether boats are available on the dates we want to attend. Members, Honorary Members and friends of RCMS all welcome.

Let Pauline or I know urgently please.

Cheers,
SB

EMERGENCY MEDICAL INFORMATION BOOK

An 'Emergency Medical Information Book' (or EMIB) contains all your information and medical records which are needed if an ambulance is called. It should be placed on the fridge door once it has been filled out.

The Rotary Club of Magill Sunrise has purchased 100 books and is offering them complimentary through various local businesses (with our Club logo proudly emblazoned on the cover).

All people, adults and children who *'take medications or have a medical condition'* should have an EMIB, especially elderly people living on their own.

Speak to me if you want an EMIB for yourself, family or friends – or if you have suggestions of cafes, shops, clubs or businesses where we could display the Emergency Medical Information Books.

SUNRISE CHICKS DINNER

As we have two club functions this month and Anzac Day the "Sunrise Chicks" dinner will be moved to **Wednesday May 15th** at the "Dawn to Dusk Café". 67 Graves Street, Newton at 6.30pm.

Please let Pauline know if you will be attending.

ADVANCE NOTICE - SPEAKER ON KAURNA ACKNOWLEDGEMENT

Tuesday 16th May 2024

What is the purpose of the "Acknowledgement To Country"? What is its relevance during a meeting or special event?

You may have heard these questions raised. So here is an opportunity to get a much better understanding of what the Acknowledgement and Welcome to Country means.

Shouwn Oosting is a consultant on First Nations engagement and chairs Campbelltown City Council's Reconciliation Advisory Committee (amongst many other interesting community pursuits).

We invite you to join us to hear Shouwn's story and gain a much better understanding of our Acknowledgement To Country.

PEACE POLE NOW INSTALLED

Our **Peace Pole** has now been installed in Nightingale Park. A Peace Pole is a monument that displays the message **"May Peace Prevail On Earth"** in the language of the country where it is placed. The message is referred to as an **affirmation of peace** and its placement furthers **Rotary's goal of building a culture of peace throughout the world.**

Peace Poles are intended to inspire unity among people of all cultures, ethnicities, and backgrounds. It is estimated there are over **250,000 Peace Poles**, in every country in the world, dedicated as monuments to peace.

Later we will have a ceremony to mark the presence of our pole in Nightingale Park, so if you have any ideas on this just let Lindsay know.

DAYLIGHT SAVING ENDS

Daylight saving comes to an end every year on the first weekend of April, with **Sunday April 7** as this year's date to wind back the clocks. Daylight saving ends on April 7.

FOOTY TIPPING COMP

The 2024 AFL tipping competition is underway. If you're not already participating – **it's not too late.**

It's fun and supports a great cause.

Register and sign up at <https://www.footytips.com.au/comps/d9510> (password: Rotary).

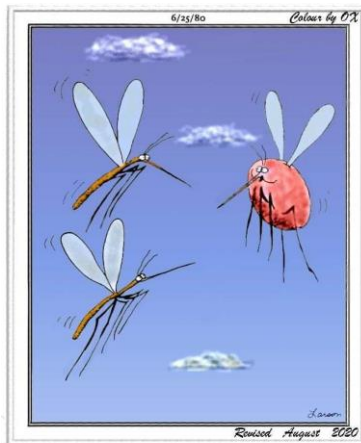

LOOKING GOOD

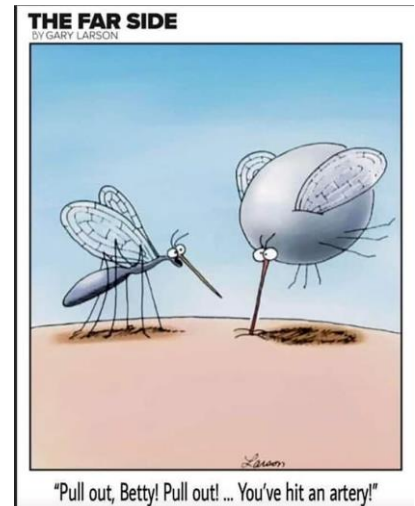

To keep you looking good:

During these warm days, why not get a replacement (or spare) Rotary Club of Magill Sunrise polo top (with the 'Come to Magill Sunrise Market' message on the back) by contacting President Lindsay.

And as the weather gets a little cooler, Alison has volunteered to investigate some jumper/jacket/vest options for club members. Let her know if you're interested and your preference.

"Head five miles west until you come to a river, then fly upstream about a mile until you come to the sign 'Sunshine Nudist Camp.'"

DISTRICT ASSEMBLY FOR ALL CLUB OFFICERS

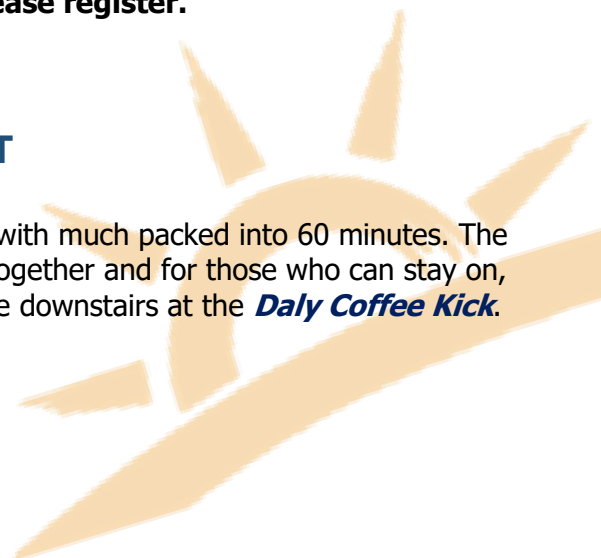

The District Assembly for all club officers will be held at St Michael's College, 15 Mitton Avenue, Henley Beach on Sunday 5th May from 9am until 3.30pm.

Mark it in your diaries and please register.

COFFEE AND A CHAT

Our meetings are only an hour long with much packed into 60 minutes. The members survey suggested we get together and for those who can stay on, after the meetings, coffee is available downstairs at the **Daly Coffee Kick**.

ICE BREAKER

Members were asked to answer one of the following three questions:

What is the funniest thing that ever happened to you at Easter?

What is your favourite thing about Easter?

Tell us about your Easter this year.

RESPONSES:

Mark told a very funny story about how he had convinced a kid at school that his father had shot and eaten the Easter Bunny.....which didn't fare well. (At least Mark still feels guilty for doing it.)

Favourite things – chocolate

Lots of celebrations this Easter - Mark's Birthday (75), Ian & Sue's 36th wedding anniversary and Robyn & Graham's 55th wedding anniversary

QUIZ QUESTION

How did April Fool's Day come about?

ANSWER:

It originated in the 16th century when France switched from the Julian calendar to the Gregorian calendar. Those who continued to use the old calendar/dates were called April fools and became the target of jokes and pranks.

PRESIDENT'S THOUGHT FOR THE DAY

"All I really need is love, but a little chocolate now and then doesn't hurt!"

~ Charles M. Schulz

"MEET THE ~~FOCKERS~~ FIXERS"

Our club have been invited to join with the members of the Repair Café for lunch on Sunday 28th April. The Repair Café has partnered with us at the market for some time and helped make the market the success it has become.

This is an opportunity to mix socially together and to get to know the "fixers" better.

WHEN: Sunday 28th April
WHERE: "Dawn to Dusk" Café and Restaurant
67, Graves Street, Newton.
TIME: 12 NOON

RSVP: Pauline by 21APR - hpauline087@gmail.com
