CHANGEOVER EDITION

PRESIDENT LINSAY'S LAST REPORT

The **2023-2024 year** has been outstanding – full of impactful projects, meaningful collaborations and significant achievements. Our efforts fostered community support and extended Rotary's efforts to *'Create Hope in the World'*.

To everyone who helped make the past year such a success, I am truly thankful. Ironically, I had been reluctant to take on the role of President. If I'd known it was going to be this much fun, I should have done it a long time ago.

You can find a brief recap of some major Projects, Programs, Speakers, Events & Achievements from the **End-of-Year Report at our Changeover** inside this Bulletin. Clearly, they reflect the club's dedication to service and community development.

I can't pick a highlight. I'm just grateful we achieved a good balance between assisting our local community and local charities; supporting the international community; keeping members engaged; staying financially sound; and above all, having **FUN!**

Thank you all for your amazing support and encouragement. It has been an honour, pleasure and privilege to serve as your President.

Cheers,
Lindsay

EXTRACT FROM LINDSAY'S END OF YEAR REPORT

Here's proof we live Rotary's **"People of Action"** and **"Service Above Self"** mottoes.

**** MAJOR PROGRAMS AND PROJECTS**

Long before Regionalisation came along, Lindsay was a keen advocate for **collaborating with other clubs** AND for Rotary seeking some more **high-profile activities**. So, he's extremely proud of our Club's role in Lift The Lid Walks, Defibrillators, Domestic Violence initiatives, and more – knowing the impact has been amplified by collaboration. It also means Rotary has a significant presence in some of the most important community concerns - taking actions that raise awareness, can save lives and do make a difference.

But there was much more to this year.

The **Magill Sunrise Market** continues to be the cornerstone of our community engagement and an excellent platform for charitable activities. It's such a great example of how to integrate social causes into community events.

The **Magill RSL Quiz Night** was outright fun – and even better when we heard about the crucial support services our funds will assist.

The **Lift The Lid Walk** helped raise mental health awareness in our community and contributed \$10,000 to mental health research.

We organised the installation of two **Peace Poles**, helping to spread the peace message among young minds locally whilst celebrating Rotary's centenary in SA.

We became a collection point for the DV Safe Phones as part of building our support for the **Rotary Says No to Domestic Violence** program.

We continued to run a very warped but highly successful **District Footy Tipping competition**.

We supported international initiatives like the **Ukraine New Dawn** project; a dental program for children in Cambodia and foresee many more opportunities to help with the education and health of children through our new connections into **Lirhanzo Children's Village, Zimbabwe**.

We also had Operation Flinders, Science programs, Leadership Awards **and much, much more**.

**** MEETINGS AND GUEST SPEAKERS**

Club Meetings were diverse and fun.

It included some **new members** telling us their story, often taking us to far-away places like Canada and Mexico. We also had **local identities** like Justin Kahl from SAGE; Victoria Braithwaite from The Family Cook and Greg Champion telling us what he likes about football.

We also were impressed by **young people** like Bernard Flynn, Molly Sweeney, Sebastian Cole and the recent science program students.

There were many incredibly **passionate speakers** like Rosemary Cadden on her book "McDouall Stuart Hitches a Ride"; Shouwn Oosting on the "Acknowledgement to Country"; and who wasn't touched by Elizabeth Backshall's experience with epilepsy?

Finally, let's not forget the **crazy fun bits**, including setting a world record for the most people at a Rotary club meeting dancing the Macarena.

****ACHIEVEMENTS AND RECOGNITIONS**

Membership Growth. The many new members are contributing to the growth in our community impact. We have welcomed John Flynn, Bruce, Alison, Erik, Monica, Betty, Alice and Godfrey, all of whom showed great enthusiasm and commitment to our projects. This influx reflects the club's vibrant and welcoming culture.

Community Recognition. The award of a Paul Harris Fellowship to Meredith Burgess was a highlight, recognizing her outstanding community service that aligns with Rotary's values.

Personal Commitment. We joined with ARH to celebrate Bet Gebert's 20 years of dedicated service - a testament to the enduring commitment of our members to Rotary's mission.

**** CONCLUSION**

If organised, loyal, dedicated and fun people are the benchmark for a successful club, the Rotary Club of Magill Sunrise was guaranteed to have an amazing year.

Impactful projects and great initiatives have significantly benefited our community, the world and the future – all of which is entirely a reflection of our club's dedication to service and community.

AWARDS

ROTARIAN OF THE YEAR **(2023-2024)** **ALISON LYNCH**

When the award is for Service Above Self, there are so many worthy candidates.

However, Alison Lynch's enthusiasm and willingness to help, stood out – earning her the Rotarian of the Year award for 2024.

About 12 months ago, Alison decided that Magill Sunrise looked like an interesting club to join. But rather than be a passenger on the 'Magill Sunrise express', she contributed big time.

Taking on the role of Sergeant meant there was nowhere to hide. Keeping the President on track and on time at meetings was an even bigger challenge. Contributing icebreakers and a quiz to every meeting, added to the fun. And her ability to smile at everyone and appreciate everything is highly contagious.

Congratulations Alison.

PAUL HARRIS FELLOWSHIP AWARD

IAN COAT

Ian Coat's support for The Rotary Foundation's humanitarian and educational programs saw him recognised at the Changeover as a Paul Harris Fellow with five sapphires. His gift will assist Rotary programs that advance world understanding, goodwill and peace; improve health; provide quality education; assist the environment; and help alleviate poverty.

SPECIAL THANK-YOU

Colin Hill has had a major involvement in the efficient and reliable running of our club over most of the past decade – along with a significant involvement in Youth Protection & Risk Management. As Colin's role changes next year, the Club expressed its appreciation for his long-term dedication to those important roles.

INCOMING PRESIDENT – PAULINE HILL

Thank you all for coming out on such a cold day to take part in our Changeover. Changeover is one of the most important events in the Rotary calendar, it gives us the opportunity to join with our family and friends to mark the end of a Rotary year and the beginning of a new one. It's a time when members take time to reflect on what has been achieved, to honour the contributions of some outstanding people and celebrate the opportunities that Rotary membership presents.

Over the past two years we have been extremely fortunate to have been led by Lindsay whose enthusiasm, dedication and unwavering commitment to the Rotary Club of Magill Sunrise has been nothing short of extraordinary. I would like to extend heartfelt thanks from the club and myself for all the hours he has put into making this a vibrant and dare I say the best Rotary Club, that it is today.

I know I will fit into Lindsay's shoes; I have big feet. Whether I can walk in them is another matter altogether, but I will give it my best shot.

Looking back on our journey from 1996, I'm struck by the remarkable progress we've made together. From our early days which as many here today can attest, at times, had its challenges, but whether you've been a member since the beginning or have joined us along the way or been a volunteer at the market your collective efforts have been instrumental in shaping our club's identity and impact. You can all be proud of what you have achieved in 28 years.

At this stage it is my pleasure to introduce the people who will keep this club ticking along - the new Board of Directors.
