## MAY IS YOUTH SERVICE MONTH

### PRESIDENT'S REPORT

By the time we all meet again in May we will have been visited by the Easter Bunny, taken part in Anzac Day marches and services and joined the RC of Morialta for a Fellowship Evening.

To many around the world Easter is not just as a holiday, but a moving and strong reminder of hope and renewal. Our world is in turmoil at present, and we can only hope peace comes very soon to

Ukraine, Gaza, Sudan and all other countries experiencing civil wars and conflict.

The world needs to be at Peace, and we all need to live in harmony. Peace is the cornerstone of the Rotary mission. Rotary creates environments where peace can happen, so we must all strive to work towards a common goal – of HOPE for global peace and stability.

For those who are going away for Easter may I wish you a safe and enjoyable Easter and a great time with family and friends. I have asked the Easter Bunny to only deliver calorie free eggs this year, so you should all be ok.

On ANZAC Day we will be joining the Athelstone-Rostrevor Lions for the Gunfire Breakfast at the Magill RSL following the Dawn Service at The Gums. They will be manning the BBQ, and we will be serving. Once again it is an example of service clubs working together, building goodwill and better friendships.

I would also like to remind you of the invite from the RC of Morialta for a Fellowship Evening on the 23<sup>rd</sup> April at the Freshly Pho, Vietnamese Restaurant in Newton. Please let me know by the 20<sup>th</sup> April if attending.

Wishing you all a safe and Happy Easter.

## GUEST SPEAKER: GLENDA SHERWIN - LANE

Glenda Sherwin-Lane was our club's guest speaker this week and spoke to us about the University of the Third Age (U3A).

Campbelltown has 330 U3A members, based at the Marchant Community Centre, 338 Gorge Road, Athelstone. There are 5,000 members in SA, 100,000 nationwide with another 600,000 members globally.

U3A was founded in France in 1975 for retirees to do things outside of their normal experience. Since then, U3A has become a shared learning and social environment for people over aged 50, working 20

hours or less per week.

Courses and activities are too extensive to list in this bulletin, but Glenda left us the prospectus for 2025 and invited us to enrol in courses for the forthcoming semester. There are 199 classes for 2025.

If Singing for Pleasure isn't your thing then how about Mahjong or Ukulele lessons. Check out their website at [www.u3acampbelltownsa.org.au](http://www.u3acampbelltownsa.org.au).

In addition to Glenda's U3A activities she has devoted many years to Rotary, here and in Victoria. People would ask her, "how is it that you know so much about Rotary" and her response was 'well, when you've had to type up the Governor's Newsletter in both states for many years you tend to remember a lot'.

### ***I am Sir Christopher Lee***

Amazingly Mark got this after just 3 clues, but he kept it to himself so everyone else could have a shot. Sadly, no one got it – and that is a bit sad for an actor who gave us so much and had such an interesting life.

In many respects he was like a Rotarian – quietly going about his work without looking for recognition. I forgot to add a few other fascinating facts about him:

- he spoke eight languages fluently
- he actually met the assassins of Rasputin, which was amazing as he later played that role in a film!

Such a full life. When asked once if he would consider retiring his response was “What else would I do?”

## PRESIDENT'S - "DID YOU KNOW?"

With ANZAC Day approaching I have gone with this.

ANZAC is the acronym formed from the initial letters of the Australian and New Zealand Army Corps.

This was the banner in which Australian and New Zealand soldiers in Egypt were grouped before the landing at Gallipoli in April 1915.

The acronym was first written as "A & NZ Army Corps". However, clerks in the corps headquarters soon shortened it to ANZAC as a convenient telegraphic code name for addressing telegram messages.

One of the earliest appearances of "Anzac" as a word was an appendix to the 1st Australian Division War Diary, dated 24 April 1915.

## \*\*\*REMINDER\*\*\*

**The Change: The third Tuesday of the month will be 6.00pm for a 6.30pm start at the Tower Hotel beginning on Tuesday 20<sup>th</sup> May.**

### SAVE THE DATE

**Saturday 11 October 2025**

• 9am Muster Victoria Square • 10am Walk Commences • 10.30 arrive Elder Park - Special Guest Speakers

Did you know that 1 in 4 women and 1 in 8 men have experienced violence from an intimate partner or family member. This is people like us! This is us!

When we walk alongside each other, we walk peacefully in solidarity:-

- to support the survivors amongst us
- to say Thank You to the workers and volunteers who respond to the trauma that violence causes
- to say **No** to Domestic Violence and **Yes** to Respectful Relationships

The visual impact of Rotary members, particularly men, and others from our partner DV organisations joining us, walking as one, is a powerful way we can show we care.

In 2025, we will ask walkers to bring a gift or make a donation of money towards goods that help survivors establish their new homes. With an estimated 1,000+ walkers, this practical response could be huge.

We also strive to build education within our younger generations to stamp out generational learned behaviour passed down from parents to their children.

Won't you join in please.

**SSSS Help us keep the Walk going into the future SSSS**

**We thank clubs who donated to the Walk in 2023 and 2024.**

These Club donations, combined with an establishment grant from District 9510, plus corporate sponsorships has helped our committee cover costs.

The walk itself is quite a simple concept, however, there are many expenses that combined, add up to a considerable sum. There are unavoidable promotional costs; production of quality banners and signs; hire of pro-quality sound systems; Council permits; First Aid fees; Band fees; Seating + more

Moving forward, we want to have a Rotary Walk For Respect Day on the South Australian calendar annually and we can expect it to cost around \$25,000 p.a. to keep this going.

With the financial help of each club - with an average annual donation of \$500 per club - we can secure the future of the Walk, plus the new initiatives we are launching. For example, we would like to use the event to support creative pop-up projects on the day. This could be something from your Club.

Should excess funds be collected, the Committee will initially hold funds in reserve to underwrite the future of the Walk. However, at a later stage, accumulated funds can be put towards other DV initiatives.

We are happy to talk to you about your ideas. But thank you for your consideration of this investment.

**See you on Saturday 11th October 2025 in Victoria Square**
