**MOTHER'S DAY MARKET 11 MAY**

## PRESIDENT'S REPORT

This coming Sunday we will celebrate Mother's Day. It is a day we thank and appreciate the work and sacrifices mother's make to our lives.

This day of celebration was begun by an American activist, Anna Jarvis on the 10<sup>th</sup> May, 1908.

In addition to conducting a memorial service in Philadelphia to honour all mothers, Jarvis sent 500 white carnations to her late mother's church in West Virginia, a flower that would come to be a symbol of Mother's Day in the USA.

The celebration rapidly caught on, and President Woodrow Wilson officially designated the second Sunday of May as Mother's Day on May 9, 1914.

Interestingly in the later part of her life Anna Jarvis tried to stop Mother's Day as she felt the commercialisation of it detracted from its intended meaning.

However, it is an Australian who is credited with having started the tradition of giving gifts on Mother's Day: Janet Heyden, a resident of Leichhardt Sydney, started a campaign in 1924 to collect gifts for lonely, aged mothers.

Here in Australia the official flower is the chrysanthemums – a flower that just happens to end in mum. How appropriate is that?

I wish all Mum's a **Happy Mother's Day** and extend to you all an invitation to visit our Mother's Day market at the Campbelltown Memorial Oval from 9am-2.00pm. It's a great place for breakfast.

*Pauline*

## AFADU FUND RAISING LUNCH AND RCMS INTERNATIONAL PROJECT

On Wednesday 7<sup>th</sup> May Alice organised a BBQ lunch at the Lutheran Homes Retirement Village at Hope Valley to raise funds for AFADU (Aid for Africa Down Under). AFADU is an Australian non-profit, non-government charitable organisation focused on providing aid and relief to Lirhanzo Children's Village (LCV), local schools and the Chikombedzi Mission Hospital in Mwenzi, Zimbabwe.

Our club is supporting the village by raising funds to build teacher accommodation so three more teachers can be employed at the local school. We joined Alice to sell flowers and bricks and raised \$205.00 for our project. Alice and Godfrey (a Director of AFADU and the RCMS International Director) raised close on \$1000.00 for the Lirhanzo Children's Village.

A great result and everyone got to taste Alice's culinary skill.

Did you know that 1 in 4 women and 1 in 8 men have experienced violence from an intimate partner or family member. This is people like us! This is us!

When we walk alongside each other, we walk peacefully in solidarity:-

- to support the survivors amongst us
- to say Thank You to the workers and volunteers who respond to the trauma that violence causes
- to say **No** to Domestic Violence and **Yes** to Respectful Relationships

The visual impact of Rotary members, particularly men, and others from our partner DV organisations joining us, walking as one, is a powerful way we can show we care.

In 2025, we will ask walkers to bring a gift or make a donation of money towards goods that help survivors establish their new homes. With an estimated 1,000+ walkers, this practical response could be huge.

We also strive to build education within our younger generations to stamp out generational learned behaviour passed down from parents to their children.

**Won't you join in please.**

**\$\$\$\$ Help us keep the Walk going into the future \$\$\$\$**

**We thank clubs who donated to the Walk in 2023 and 2024.**

These Club donations, combined with an establishment grant from District 9510, plus corporate sponsorships has helped our committee cover costs.

The walk itself is quite a simple concept, however, there are many expenses that combined, add up to a considerable sum. There are unavoidable promotional costs; production of quality banners and signs; hire of pro-quality sound systems; Council permits; First Aid fees; Band fees; Seating + more

Moving forward, we want to have a Rotary Walk For Respect Day on the South Australian calendar annually and we can expect it to cost around \$25,000 p.a. to keep this going.

With the financial help of each club - with an average annual donation of \$500 per club - we can secure the future of the Walk, plus the new initiatives we are launching. For example, we would like to use the event to support creative pop-up projects on the day. This could be something from your Club.

Should excess funds be collected, the Committee will initially hold funds in reserve to underwrite the future of the Walk. However, at a later stage, accumulated funds can be put towards other DV initiatives.

We are happy to talk to you about your ideas. But thank you for your consideration of this investment.

**See you on Saturday 11th October 2025 in Victoria Square**
