MAY- YOUTH SERVICE MONTH

PRESIDENT'S MESSAGE

As E. M. Forster once suggested, a world guided by the care and compassion of mothers would be a more peaceful one. Perhaps a tad unrealistic but on Mother's Day, we recognise not only the love and strength of mothers, but the values they represent—care, resilience, and a commitment to a better future.

These are the same values that drive Rotary's work in building healthier, more peaceful communities around the world.

- **Care and nurturing → Community service**

Mothers nurture families; Rotary nurtures communities through health, education, and development programs.

- **Protection → Peacebuilding**

Many mothers want safety and stability for their children. Rotary actively supports peace initiatives, conflict resolution, and humanitarian aid.

- **Sacrifice → Service above self**

The Rotary motto "Service Above Self" closely mirrors the sacrifices many mothers make daily.

- **Raising the next generation → Sustainable change**

Mothers shape future citizens; Rotary invests in youth programs and education to build better societies.

To continue Rotary's work, we'd love to see you at the Rotary Market this **Sunday, 10th May, at Campbelltown Memorial Oval from 9am to 2pm.**

Come along, enjoy the atmosphere, and support our wonderful community.

Why not bring Mum along for breakfast? We do a ripper of a breakfast plate.

A special thank you to all the wonderful mothers who have generously donated their time to support this market. Your efforts and help in assisting the Rotary Club of Magill Sunrise make a real difference both globally and locally.

We truly appreciate your dedication and support!

Wishing all Mums a very Happy Mother's Day! 🌸

Pauline

CHAMPAGNE AFTERNOON TEA – 03MAY26

On Sunday afternoon Ian and Suzette hosted an afternoon tea for club members, family and friends to view their garden and to enjoy time together. Unfortunately, the weather didn't behave in a way which lent itself to enjoying afternoon tea in the garden, but a great time was had by all who attended.

Many thanks to Ian and Suzette for a lovely afternoon tea and an introduction to your bountiful garden.

Quiz Question

How did Mother's Day originate?

Answer: It was originally a protest against war. It was a day dedicated to promoting peace, where women would rally against war. The first Mother's Day was actually held as a memorial service....this eventually turned into a day of celebrating honouring the role Mum's play in their families. It became a national holiday in 1914.

Let's get to know you – tell us about your family. How many brothers and sisters do you have and where are you in the line up? Do you have a fun story to share re your family?

Simon – 4th child of 5 boys (and the shortest)

Colin – Eldest of 3 boys. When I met my wife she only had 1 x sister – now she has many

Lindsay – Youngest of 3 (& best looking) – my brother is 9 years older and my sister 7 years older

Godfrey – I am 1 of 7 (3 sisters and 3 brothers). They are based all over the world

Greg – Middle child of 3. My sisters is 7 years older and my brother 1.5 years younger

Ian – I am 1 of 2 and we are 11 years apart

Suzette – Middle child of 5 (1 sister and 3 brothers, sadly 1 brother has passed away). We have recently discovered family links to Tassie and that my daughter is carrying the cystic fibrosis gene

Alison – Middle child of 3 girls and we are all 1+ year apart. My Dad wanted boys, so we all have boy nicknames (which we still use) – I am Albert, my sisters – Freddie & Sammy

Pauline – I am adopted and I have 1 x adopted sister. I discovered almost 30 years ago that I have 9 brothers and sisters (3 boys, 6 girls), plus multitude of nieces & nephews on my maternal side. I am the eldest.

PRESIDENT'S 'DID YOU KNOW'

Chrysanthemums are in full bloom in May when Mother's Day is celebrated in Australia.

In the language of flowers, chrysanthemums symbolise devoted love, loyalty, happiness, longevity and joy.

They are often associated with Mother's Day especially in Australia due to the affectionate term "mum" in the name.

END POLIO NOW

Every voice. Every dollar. Every child.

We are in the final stretch — but polio is a zero-sum game. As long as the virus exists anywhere, children everywhere remain at risk.

- If eradication efforts stop now, up to 200,000 new cases every year could return within a decade.
- Just one infected traveller can reintroduce polio to a polio-free country.
- 1 in 200 infections causes irreversible paralysis.

By vaccinating 2.5 billion children, Rotary and its partners have prevented more than 20 million cases of paralysis. If we succeed, polio will become only the second human disease ever eradicated — after smallpox.

Join us. Help finish the fight.
Every donation funds the vaccines, transport and frontline support needed to protect children.

Right now, every \$1 donated is matched 2:1 by the Bill & Melinda Gates Foundation — tripling your impact.
